

NX8 4-32X50MM F2 RIFLE SCOPES - NX8 4-32X50MM SFP ILLUMINATED MOAR-CF2D RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

A Dedicated Optic for Your Long-Range Rig

Just because an optic is compact doesn't mean that it isn't capable of incredible performance on your long-range shooting rig. This Nightforce NX8 Riflescope is constructed with a dedicated optical system that enhances clarity, and the use of the company's new MOAR-CF2D and MIL-CF2D reticles ensures that you can put rounds where they're needed at distance. These optics make use of a Dual Scale Reticle System, which ensures the accuracy of the subtensions within the reticle at 16X and 32X. Each Nightforce NX8 4-32x50mm Riflescope is built with the company's extreme dispersion optical system, which provides enhanced clarity and quality in a scope tube that's shorter than many others on the market. The optic is equipped with a second focal plane reticle, which means that the reticle remains consistent in size throughout the magnification range. Other features included on the Nightforce NX8 4-32x50mm Riflescope are the company's ZeroStop turret, enhanced power-throw lever and the DigIllum reticle illumination system. Both optics are built on 30mm tubes for increased durability and adjustment range.

Attributes

- Name: [NX8 4-32X50MM SFP ILLUMINATED MOAR-CF2D RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 524000537
- Mfr. No.: C641
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.50"
- Finish: Black
- Focal Plane: Second
- Illumination: Yes
- Length: 13.5"
- Max Magnification: 32x
- Min. Magnification: 4x
- Model Number: NX8
- Objective Size: 50mm
- Reticle: MOAR-CF2
- Tube Size: 30mm
- Weight: 28.9 oz
- Delivery weight: 1.447kg
- Shipping height: 152mm
- Shipping width: 140mm
- Shipping length: 584mm
- UPC: 847362018126

NX8 432X50MM F2 RIFLE SCOPES USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Nightforce NX8 432X50MM F2 Riflescope. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your riflescope. Please read this guide thoroughly before using the product.

General Safety Guidelines

- This riflescope is designed for use with firearms. Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that you are familiar with the operation of your firearm before mounting and using the riflescope.
- Keep the riflescope out of reach of children and unauthorized users.
- Inspect the riflescope regularly for any signs of damage or malfunction.
- Avoid using the riflescope in extreme weather conditions unless it is specifically rated for such use.
- Store the riflescope in a cool, dry place when not in use to prevent damage.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or detaching the riflescope.
- Use appropriate eye protection when using the riflescope and firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not look directly at the sun through the riflescope, as this can cause permanent eye damage.
- Ensure that the reticle is properly adjusted before taking any shots to avoid misalignment.
- Follow all manufacturer instructions regarding the use of the illumination feature to prevent battery-related issues.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools for installation (e.g., screwdrivers, torque wrench).
- Mount the riflescope onto the firearm using the provided mounting rings and base.
- Follow the manufacturer's instructions for torque specifications to avoid damaging the scope or firearm.
- Ensure that the riflescope is level and properly aligned with the barrel of the firearm.

2. Usage:

- Adjust the magnification ring to your desired power setting before aiming.
- Use the parallax adjustment feature if available to ensure clarity at different distances.
- Activate the illumination feature as needed, following the manufacturer's instructions for battery installation and usage.
- Maintain a proper shooting stance and grip when using the riflescope to enhance stability and accuracy.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste and firearm accessories.
- Remove batteries before disposal and recycle them according to local battery recycling guidelines.

- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety issues, product recalls, or further assistance, please refer to the manufacturer's customer support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Nightforce NX8 432X50MM F2 Riflescope. Always prioritize safety and responsible usage.
