TAPERED ROLLS MERIT ABRASIVE PRODUCTS

Safety Instruction Guide

Introduction

Thank you for choosing TAPERED ROLLS by MERIT ABRASIVE PRODUCTS. This guide provides essential safety instructions to ensure the safe and effective use of our abrasive tapered rolls. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Always use personal protective equipment (PPE) such as safety goggles, gloves, and masks to protect against dust and debris.
- Ensure that the working area is clean and wellventilated.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use if the product is damaged or worn.
- Always follow the maximum speed limit of 18,000 rpm during operation.
- Be aware of the potential hazards associated with abrasive materials, including dust inhalation and skin irritation.

Specific Safety Precautions for Use

- Inspect the tapered rolls before each use for any signs of damage or excessive wear.
- Use the product only for its intended purpose, which is to grind or polish surfaces.
- Avoid applying excessive pressure while using the rolls; let the tool do the work.
- Do not use the product near flammable materials or in explosive atmospheres.
- If you experience any discomfort or adverse reactions while using the product, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the power tool you are using is compatible with the tapered rolls.
- Follow the manufacturer's instructions for attaching the tapered rolls to the tool.
- Make sure the tapered roll is securely fastened before operating the tool.

2. Usage:

- Select the appropriate grit (60 grit for this product) based on the material you are working with.
- Start the tool and allow it to reach the maximum speed before contacting the workpiece.
- Gently guide the tapered roll against the surface you are working on, using even pressure.
- Periodically check the condition of the tapered roll and replace it if it shows signs of wear.

Disposal Instructions

- Dispose of used tapered rolls in accordance with local regulations regarding hazardous waste.
- Do not dispose of the product in regular household waste.
- Check with local authorities for the proper disposal methods for abrasive materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EUbased contact point provided by the manufacturer. You can also check for recall updates on the EU's Safety Gate platform.

Thank you for following these safety guidelines. Your cooperation ensures a safer working environment for everyone.
