# ACTION PISTOL PRACTICE TARGET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ACTION PISTOL PRACTICE TARGET. This product is designed for safe use in pistol shooting practice. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with the use of this product.

## General Safety Guidelines

- Ensure that all users are aware of and adhere to local laws and regulations regarding firearm usage and shooting practices.
- Always supervise minors when using this product.
- Use the target only in designated shooting areas that comply with safety standards.
- Regularly inspect the target for any damage before use. Do not use if the target is damaged.
- Follow all safety protocols for handling and using firearms.
- Maintain a safe distance from the target during shooting practice.
- Ensure that the area behind the target is clear of people and objects.

## Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhalation of any particles.
- Wear appropriate personal protective equipment, including eye and ear protection.
- Do not place the target in areas where it may be exposed to adverse weather conditions, such as rain or strong winds.
- Avoid using the target in close proximity to flammable materials.
- Be aware of your surroundings and ensure that no one is in the line of fire when shooting at the target.
- Only use ammunition that is suitable for the type of firearm being used.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a secure location for target installation, ensuring it is stable and free from obstructions.
- Use a stand or frame that is designed to hold paper targets securely.
- Ensure that the target is positioned at the appropriate height and distance for your shooting practice.

### 2. Usage:

- Always check that the firearm is unloaded before approaching the target.
- Position yourself at a safe distance from the target as per your shooting practice requirements.
- Aim carefully and ensure that the target is the only object in your line of sight before shooting.
- After completing your shooting session, ensure that all firearms are unloaded and stored safely.

## Disposal Instructions

- Dispose of the target in accordance with local waste disposal regulations.
- If the target is damaged, it should be disposed of immediately to prevent any safety hazards.
- Do not burn the target, as it may release harmful substances into the environment.
