Safety Instruction Guide for 1" Square Black Pastes

Introduction

Thank you for choosing the 1" Square Black Pastes by National Target. This guide provides essential safety instructions to ensure the safe use of this product. Please read the following information carefully to understand how to use the pastes correctly and safely.

General Safety Guidelines

- Ensure that the pastes are used only for their intended purpose, which is to repair targets.
- Keep the pastes out of reach of children to prevent accidental ingestion or misuse.
- Inspect the pastes regularly for any signs of damage or deterioration before use.
- Store the pastes in a cool, dry place away from direct sunlight to maintain their adhesive quality.
- If you experience any allergic reactions or skin irritations, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- Use the pastes in a wellventilated area to avoid inhaling any adhesive fumes.
- Avoid placing pastes on surfaces that are not clean or dry, as this may affect their adhesive properties.
- Do not use the pastes on targets that are excessively worn or damaged, as this may lead to ineffective repairs.
- Be cautious when applying the pastes to ensure that fingers do not come into contact with the adhesive, which can be difficult to remove.
- In case of accidental skin contact, wash the affected area with soap and water.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the target is clean and dry before applying the pastes.
- Gather the required number of pastes from the roll.

2. Application:

- Peel the paster from the roll carefully, avoiding any tearing.
- Place the paster over the damaged area of the target, pressing firmly to ensure a secure bond.
- Smooth out any air bubbles by gently pressing from the center outwards.

3. PostApplication:

- Allow the paster to adhere for a few minutes before resuming shooting to ensure it is securely attached.
- Regularly check the integrity of the pastes during use, replacing them as necessary.

Disposal Instructions

- Dispose of used pastes in accordance with local waste disposal regulations.
- Do not dispose of pastes in water bodies or open environments to prevent environmental contamination.
- If the pastes are damaged or no longer usable, place them in a sealed bag before disposal to minimize adhesive exposure.

Contact Information for Further Support
