Safety Instruction Guide for 1" Square Pastes

Introduction

Thank you for choosing the 1" Square Pastes by National Target. These target pastes are designed for easy application and secure adhesion to your targets, allowing for quick repairs and continued use. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure all users understand the proper use of the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates regarding recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Avoid applying pastes to surfaces that are not intended for target use.
- Do not use pastes near open flames or high heat sources, as the adhesive may become unstable.
- Ensure the surface is clean and dry before applying pastes to ensure strong adhesion.
- Do not ingest pastes; they are not a food product and may pose a choking hazard.
- If any irritation occurs from contact with the adhesive, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the target surface is clean, dry, and free from debris.
- Choose the desired color of the pastes: black, white, buff, or brown.

2. Application:

- Peel the paste from the roll.
- Firmly press the paste over the damaged area of the target, ensuring full contact for maximum adhesion.
- Smooth out any air bubbles to secure the paste in place.

3. Removal:

- To remove the paste, gently peel it away from the target surface.
- If residue remains, clean the area with a damp cloth.

4. Storage:

- Store pastes in a cool, dry place away from direct sunlight.
- Keep the roll tightly closed when not in use to maintain adhesive quality.

Disposal Instructions

- Dispose of used pastes and packaging in accordance with local waste disposal regulations.
- Do not dispose of pastes in water bodies or public spaces to avoid environmental contamination.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to your local retailer or manufacturer. It is essential to maintain a direct line of communication for safety concerns and product support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
