Safety Instruction Guide for POLICE TARGETS NATIONAL TARGET B27 24" BLACK TARGETS 100/PACK

Introduction

Thank you for choosing the POLICE TARGETS NATIONAL TARGET B27 24" BLACK TARGETS. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the targets.

General Safety Guidelines

To promote safe use of the targets, please adhere to the following guidelines:

- Always supervise the use of targets, especially around children or vulnerable individuals.
- Ensure that the targets are used in a safe environment, away from populated areas and flammable materials.
- Use appropriate equipment and protective gear when shooting at the targets.
- Regularly inspect targets for damage or wear before use.
- Follow all local laws and regulations regarding shooting and target practice.

Specific Safety Precautions for Use

To minimize risks associated with the use of the targets, please observe these precautions:

- **Age Restrictions:** These targets are intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a responsible adult.
- **Shooting Distance:** Maintain the recommended shooting distances for each target type:
 - B27: 50 yards
 - B27E: 25 meters
 - B29: 50 feet
 - B34: 25 yards
- **Environmental Considerations:** Use targets in designated shooting ranges or areas. Avoid using them in residential or crowded locations.
- **Target Condition:** Do not use targets that show signs of significant damage or wear, as this may lead to unpredictable performance.
- **Proper Disposal:** Dispose of damaged or used targets according to local regulations. Do not leave targets in public areas.

Instructions for Installation and Usage

For safe installation and usage of the targets, follow these steps:

1. Location Selection:

- Choose a safe and appropriate location for target practice, ensuring a clear line of sight and safe backstop.

2. Target Setup:

- Securely mount the target to a stable backing or stand. Ensure it is at an appropriate height and angle for shooting.

- Verify that the target is visible and properly illuminated if necessary.

3. Shooting Protocol:

- Always ensure the area is clear of people before shooting.
- Use firearms or equipment that are appropriate for the target size and type.
- Follow proper shooting techniques and safety protocols at all times.

4. PostShooting:

- After shooting, inspect the targets for any damage.
- Collect and properly dispose of any remnants or debris from the targets.

Disposal Instructions

Proper disposal of the targets is important for safety and environmental considerations:

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- If the targets are made from recyclable materials, check local recycling guidelines to ensure they are recycled properly.
- Do not leave used targets in public areas or natural environments.
