[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

## A Short-Action Magazine Built for DPMS and SR-25 Rifles

Most of today's AR .308 magazines are limited to just 10 or 20 rounds, which can be a pain for the range junkie who's looking to spend more time shooting and less time reloading. These polymer AR .308 magazines provided an expanded capacity, with 30- and 40-round magazine available to fit standard DPMS and SR-25 rifles. Each AR .308 polymer magazine is built for use with the .308 Win. cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

# AR .308 Polymer Magazines Safety Instruction Guide

## Introduction

Thank you for choosing the AR .308 Polymer Magazine. This guide provides essential safety instructions to ensure the proper use and maintenance of your magazine. Please read this document carefully to understand the safety guidelines and precautions necessary for safe operation.

## General Safety Guidelines

- Always handle magazines and firearms with care and respect.
- Ensure the firearm is unloaded before inserting or removing the magazine.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm and magazine ownership.

## Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm model (DPMS or SR25).
- Do not exceed the magazine's capacity (40 rounds).
- Avoid using damaged or worn magazines, as they may pose safety risks.
- Store magazines in a cool, dry place to prevent degradation of the polymer material.
- Be aware of your surroundings when loading, unloading, or handling your firearm.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing upwards.
- Insert cartridges one at a time, pressing down until they click into place.
- Do not force cartridges into the magazine.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly until it clicks into place.
- Check that the magazine is securely seated before firing.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Maintenance:

- Regularly clean the magazine to remove dirt and debris.
- Inspect the spring for proper tension and replace if necessary.
- Store the magazine in a protective case when not in use.

## **Disposal Instructions**

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash; consider recycling options if available.
- Ensure that the magazine is completely unloaded before disposal.

## **Contact Information for Further Support**

For safety inquiries and assistance, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

By following these guidelines, you can ensure safe and effective use of your AR .308 Polymer Magazine. Always prioritize safety and responsibility when handling firearms and ammunition.
