# S&W Competition Hand Power Custom "N" Frame Hand Safety Instruction Guide

## Introduction

Thank you for choosing the S&W Competition Hand Power Custom "N" Frame Hand. This product is designed to enhance the performance of your Smith & Wesson revolver. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of Smith & Wesson revolver (K, L, or N frame).
- Always handle firearms with care and respect, following all safety protocols.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Gunsmith Fitting Required:** This product requires professional fitting by a qualified gunsmith. Improper installation may lead to malfunctions or accidents.
- **Heat Treatment:** The product has been heat treated; avoid exposing it to extreme heat or conditions that may compromise its integrity.
- **Oversize Dimensions:** Ensure that the oversize dimensions are compatible with your firearm before attempting installation.
- **Avoid Modifications:** Do not attempt to modify the product. Alterations can result in safety hazards and void any warranties.
- **Use Proper Tools:** Always use the correct tools when installing or adjusting the product to avoid injury or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools and workspace, ensuring a clean and organized area.

### 2. Installation:

- Consult a qualified gunsmith for fitting the S&W Competition Hand.
- Follow the gunsmith's instructions carefully during the fitting process.
- After fitting, check for proper operation and alignment of the cylinder.

### 3. Usage:

- After installation, perform a function check to ensure the revolver operates correctly.
- Follow standard safety practices when handling the firearm.
- Regularly maintain the product and firearm as per manufacturer guidelines.

## **Disposal Instructions**

- Dispose of any damaged or wornout components responsibly.
- Follow local regulations for the disposal of firearm parts.
- If unsure, consult with a local firearms dealer or gunsmith for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the S&W Competition Hand Power Custom "N" Frame Hand, please contact your local firearms dealer or a qualified gunsmith.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your enhanced shooting experience with the S&W Competition Hand!
