AUTO PRIMER FEED COMBO RCBS AUTO PRIMER FEEDER TUBE SMALL Safety Instruction Guide

Introduction

Thank you for purchasing the AUTO PRIMER FEED COMBO RCBS AUTO PRIMER FEEDER TUBE SMALL. This product is designed to enhance your reloading experience by providing a safe and efficient way to handle primers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle primers with care to prevent accidental ignition.
- Ensure that the product is used in accordance with these safety instructions to minimize risks.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates regarding product recalls or safety warnings on the EU Safety Gate platform.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not touch primers with greasy or oily fingers; use the nylon primer pickup to prevent contamination and misfires.
- Ensure that the feeder tube is properly installed before use to avoid misalignment or jams.
- Do not exceed the tube capacity of 100 primers to maintain safe operation.
- Avoid using the product with RC Supreme presses, as this is not compatible and may lead to safety hazards.
- Always wear safety glasses when reloading to protect your eyes from potential hazards.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is turned off and unplugged before installation.
- Attach the feeder tube securely to your Rock Chucker II press or compatible JR and Reloader Special presses.
- Ensure the tube is aligned correctly to allow for smooth operation.

2. Usage

- Load up to 100 primers into the feeder tube.
- Use the nylon primer pickup to dispense one primer at a time into the primer plug and sleeve.
- Monitor the primer levels in the tube and refill as necessary to avoid running out during operation.
- After use, ensure that all primers are stored safely and securely.

Disposal Instructions

- Dispose of any unused or damaged primers in accordance with local regulations for hazardous materials.
- Recycle packaging materials where possible, following local recycling guidelines.
