

# BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE BORE BRUSH, 357 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

# Safety Instruction Guide for BRONZE BORE BRUSH BRUSH SINCLAIR INTERNATIONAL 357 CALIBER BRONZE BORE BRUSH

## Introduction

Thank you for choosing the BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety information to ensure the safe use of this product. Please read it carefully before using the bore brush.

## General Safety Guidelines

- Always handle the bore brush with care to avoid injury.
- Ensure that the bore brush is used in accordance with the intended purpose.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush for damage before each use. Do not use if damaged.
- Report any unsafe conditions or incidents to the relevant authorities.
- Check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the bore brush only for cleaning firearm barrels of .357 caliber.
- Do not use the bore brush on other calibers or for purposes other than cleaning.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during use.
- Avoid using excessive force when scrubbing to prevent damage to the barrel or brush.
- Do not leave the bore brush unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Attach the bore brush securely to the cleaning rod.
- Ensure that the connection is tight to prevent the brush from detaching during use.

### 3. Usage:

- Insert the bore brush into the barrel from the chamber end.
- Gently push the brush through the barrel, using a smooth and steady motion.
- Pull the brush back through the barrel without twisting to avoid damaging the rifling.
- Repeat the process as necessary to achieve the desired level of cleanliness.
- After use, clean the bore brush with solvent and allow it to dry.

## Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or contaminated.
- Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of this product, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
