

STALWART WOODEN LOADING BLOCKS - BELTED MAGNUMS 50 ROUND LOADING BLOCK

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Reloaders who prefer a traditional hardwood block can use our wooden loading blocks which have the same machined fit as our "Poly" blocks. Each block is machined from select hardwood and has 50 holes (except for #LB-9, which has 32 holes). Finger grooves are machined into the sides for a sure grip. See chart for ordering information.

Safety Instruction Guide for STALWART WOODEN LOADING BLOCKS BELTED MAGNUMS 50 ROUND LOADING BLOCK

Introduction

Thank you for choosing the STALWART WOODEN LOADING BLOCKS BELTED MAGNUMS 50 ROUND LOADING BLOCK. This product is designed for reloaders who prefer a traditional hardwood block for their ammunition. To ensure safe and effective use, please read and follow all safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Always handle ammunition and reloading equipment with care.
- Ensure that the loading block is placed on a stable and flat surface during use.
- Keep the loading block out of reach of children and pets when not in use.
- Regularly inspect the loading block for any signs of damage or wear.
- Do not overload the loading block beyond its specified capacity.
- Store the loading block in a dry place to prevent warping or damage from moisture.

Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before handling the loading block.
- Use the loading block only with compatible cartridges (Belted Magnums) as specified.
- Avoid using the loading block if you notice any cracks or splinters in the wood.
- Do not use the loading block for any purpose other than its intended use.
- If you experience any difficulty while using the loading block, stop immediately and consult a knowledgeable source for assistance.

Instructions for Installation and Usage

1. **Placement:** Place the loading block on a stable, flat surface to prevent tipping during use.
2. **Loading:**
 - Ensure that the block is oriented correctly with the holes facing upward.
 - Insert cartridges into the holes, ensuring that they fit snugly and securely.
 - Do not force cartridges into the holes; if they do not fit, check for compatibility.
3. **Handling:**
 - When lifting or moving the loading block, support it from the bottom to avoid dropping it.
 - Avoid placing excessive weight on the loading block, as this may cause damage.
4. **Cleaning:**
 - Clean the loading block regularly using a soft, dry cloth.
 - Avoid using abrasive cleaners or solvents that may damage the wood finish.
5. **Storage:**
 - Store the loading block in a cool, dry place when not in use.
 - Ensure that it is out of reach of children and pets.

Disposal Instructions

- When disposing of the loading block, consider recycling options if available.
- If the block is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Do not burn the wooden loading block, as this may release harmful chemicals.

Contact Information for Further Support

For any safety inquiries or concerns regarding the STALWART WOODEN LOADING BLOCKS BELTED MAGNUMS 50 ROUND LOADING BLOCK, please refer to the relevant contact points provided by the manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety, and enjoy your reloading activities!
