Hornady makes some of the best bullets in the world for big game shooters, dangerous game shooters, competitive shooters, self-defense, and just plinking. Not only do they make a great bullet but at a price that's not hard on the wallet. Hornady engineers are constantly working on new bullet designs based on input from their customers and their own field experience. Trust us; everyone at Hornady shoots, starting with the technicians spooling up the lead core and all the way up to the president (Steve Hornady). This family owned business is great to deal with and we know you'll like their bullets. They shoot extremely well!

# Safety Instruction Guide for 30 Caliber (0.308") Short Jacket Bullets

## Introduction

Thank you for choosing Hornady 30 Caliber (0.308") Short Jacket Bullets. These bullets are designed for big game shooting, competitive shooting, selfdefense, and recreational use. This safety instruction guide provides essential information to ensure safe handling, use, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle bullets with care and treat them as if they are live ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Inspect bullets for any signs of damage before use. Do not use damaged bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when using firearms loaded with these bullets.
- Ensure that your firearm is compatible with 30 Caliber (0.308") ammunition before loading.
- Always point the firearm in a safe direction when loading or unloading.
- Do not exceed the recommended load data when reloading ammunition.
- Be aware of your target and what lies beyond it before firing.
- Do not use these bullets for purposes other than intended (e.g., do not use for illegal activities).

## Instructions for Installation and Usage

- Ensure that you are in a safe and controlled environment when using the bullets.
- Load the bullets into the firearm according to the manufacturer's instructions for your specific firearm model.
- Fire the bullets in accordance with standard shooting practices and safety protocols.
- After use, clean your firearm according to the manufacturer's guidelines to maintain its performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local authorities or waste disposal facilities for guidance on proper disposal methods.

## Contact Information for Further Support

For safety inquiries and product support, please refer to the official Hornady website or contact your local Hornady distributor for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with Hornady 30 Caliber (0.308") Short Jacket Bullets. Always prioritize safety and be responsible when handling ammunition.
