

# **CUSTOM GRADE STANDARD SEATING DIES - CUSTOM GRADE 300 REMINGTON SAUM BULLET SEATER DIE**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Hornady's Custom Grade New Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. Custom Grade Seater dies include a sliding alignment sleeve which holds the bullet, case mouth, and seater stem in alignment before the bullet enters the case mouth. Seater dies include a built-in crimp ring which can be used or raised for no crimp. All dies come with the popular double-flat Hornady die lock rings installed and a custom plastic die box.

# CUSTOM GRADE STANDARD SEATING DIES SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the CUSTOM GRADE STANDARD SEATING DIES for the 300 REMINGTON SAUM bullet seater die by Hornady. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read and understand these guidelines before use.

## General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the work area clean and free of distractions.
- Store the die in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Be aware of the specific cartridge and bullet specifications to avoid mismatches.
- Follow all local laws and regulations regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- Use the die only with the specified cartridge: 300 SAUM (Remington SA Ultra Mag).
- Do not exceed recommended load limits when using this die.
- Ensure that the bullet, case mouth, and seater stem are properly aligned before seating the bullet.
- If the die becomes stuck or jammed, do not force it. Follow the manufacturer's instructions for resolution.
- Do not use the die for any purpose other than its intended use as a bullet seating die.
- Always keep hands and body clear of the die's moving parts during operation.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Work Area:** Ensure your workspace is clean and organized.
2. **Install the Die:**
  - Remove the die from its packaging.
  - Screw the die into the reloading press until it is securely in place.
  - Adjust the die to the desired seating depth according to the manufacturer's specifications.

### Usage

1. **Prepare Cases:** Ensure that all cases are clean and properly sized for reloading.
2. **Insert Bullet:** Place the bullet into the seater stem of the die, ensuring it is properly aligned.
3. **Align Case:** Insert the prepared case into the die, ensuring that it is seated correctly.
4. **Seat Bullet:** Operate the press to seat the bullet into the case. Monitor the process to ensure proper alignment.
5. **Check for Crimp:** If desired, adjust the built-in crimp ring according to your reloading needs.
6. **Inspect Finished Rounds:** After reloading, inspect the finished cartridges for proper seating and crimping.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading waste in regular trash. Follow specific guidelines for hazardous materials if

applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOM GRADE STANDARD SEATING DIES, please refer to the manufacturer's customer support resources. Ensure you have the product information on hand for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and efficient reloading experience with your CUSTOM GRADE STANDARD SEATING DIES. Always prioritize safety and adhere to best practices for reloading ammunition. Thank you for choosing Hornady products.
