

INTERLOCK® 30 CALIBER (0.308') RIFLE BULLETS - INTERLOCK 30 CALIBER (0.308") 150GR ROUND NOSE 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Their traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have the pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature the exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. Product Features: INNER GROOVES Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. TAPERED JACKET Jacket thickness is precisely controlled for expansion at all velocities. ONE-PIECE CORE Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. CANNELURE Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. INTERLOCK® RING The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

Attributes

- Name: [INTERLOCK 30 CALIBER \(0.308"\) 150GR ROUND NOSE 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003566
- Mfr. No.: 3035
- Ballistic Coefficient (G1): 0.186
- Brand Style: InterLock
- Bullet Style: Round Nose (RN)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 150
- Sectional Density: 0.226
- Quantity: 100
- Delivery weight: 1.021kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 152mm
- UPC: 090255230352

INTERLOCK® 30 CALIBER RIFLE BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the INTERLOCK® 30 CALIBER (0.308") RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before using the bullets.

General Safety Guidelines

- Ensure safe use of all nonfood products, including ammunition.
- Be aware of potential risks associated with handling and using rifle bullets.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Store ammunition in a cool, dry place, away from direct sunlight and out of reach of children.
- Always handle ammunition with care and respect, treating it as if it is loaded.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not have access to this ammunition.
- **Protective Gear:** Always wear appropriate protective gear, including shooting glasses and hearing protection, when using firearms.
- **Firearm Compatibility:** Ensure that the INTERLOCK® 30 CALIBER bullets are compatible with your firearm. Refer to your firearm's manual for specifications.
- **Loading and Unloading:** Follow the manufacturer's instructions for loading and unloading your firearm. Always point the firearm in a safe direction.
- **Misfires:** In the event of a misfire, wait at least 30 seconds before attempting to unload the firearm. Handle misfires with extreme caution.
- **Shooting Environment:** Only shoot in designated areas that are safe for shooting. Ensure that the area is clear of people and animals.

Instructions for Installation and Usage

- **Loading Bullets:**
 - Ensure the firearm is pointed in a safe direction.
 - Open the action of the firearm and remove any existing ammunition.
 - Insert the INTERLOCK® 30 CALIBER bullet into the chamber or magazine according to the manufacturer's instructions.
 - Close the action of the firearm securely.
- **Firing:**
 - Confirm that the area is clear and safe for shooting.
 - Aim at the intended target and ensure that there is a safe backstop.
 - Squeeze the trigger gently to fire the bullet.
- **Cleaning:**
 - After use, clean your firearm according to the manufacturer's recommendations to maintain optimal performance and safety.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities or waste management services for safe disposal options.
- Ensure that all ammunition is stored safely until disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the INTERLOCK® 30 CALIBER bullets, please refer to the product packaging or your retailer for contact details of the manufacturer.

Please remember to always prioritize safety when handling and using ammunition. Your careful attention to these guidelines will help ensure a safe shooting experience.
