

INTERLOCK® 30 CALIBER (0.308') RIFLE BULLETS - INTERLOCK 30 CALIBER (0.308") 180GR ROUND NOSE 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Their traditional line of bullets feature exposed lead tips for controlled expansion and hard-hitting terminal performance. Most have the pioneering secant ogive design — one of the most ballistically efficient profiles ever developed (see diagram to right). Most feature the exclusive InterLock® design — a raised ring inside the jacket that is embedded in the bullet's core that keeps the core and jacket locked together during expansion to retain mass and energy. Product Features: INNER GROOVES Strategically weaken the upper section of the jacket, ensuring consistent, controlled expansion, even at long range. TAPERED JACKET Jacket thickness is precisely controlled for expansion at all velocities. ONE-PIECE CORE Does not separate like two-piece divided cores. The InterLock® retains more mass and energy for deep penetration and large, consistent wound channels that ensure quick, clean kills. CANNELURE Provides accurate and consistent crimping and also works with InterLock® ring to ensure the core and jacket remain locked during expansion. INTERLOCK® RING The raised InterLock® ring is embedded in the bullet's core, ensuring the core and jacket are locked in one piece during expansion to retain mass and energy.

Attributes

- Name: [INTERLOCK 30 CALIBER \(0.308"\) 180GR ROUND NOSE 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749003574
- Mfr. No.: 3075
- Ballistic Coefficient (G1): 0.241
- Brand Style: InterLock
- Bullet Style: Round Nose (RN)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 180
- Sectional Density: 0.271
- Quantity: 100
- Delivery weight: 1.22kg
- Shipping height: 57mm
- Shipping width: 64mm
- Shipping length: 108mm
- UPC: 090255230758

INTERLOCK® 30 CALIBER (0.308") RIFLE BULLETS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing INTERLOCK® 30 Caliber (0.308") Rifle Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. Please read all sections carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure all users are familiar with firearm safety practices.
- Always treat bullets as if they are live ammunition.
- Store bullets in a cool, dry place, away from children and unauthorized persons.
- Regularly inspect bullets for any signs of damage or corrosion before use.
- Do not use bullets that have been exposed to moisture or have visible defects.
- Follow all local regulations regarding the storage and use of ammunition.

Specific Safety Precautions for Use

- Never point a firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to shoot.
- Use appropriate ear and eye protection when firing.
- Ensure the firearm is suitable for the caliber of the bullets being used.
- Be aware of your target and what is beyond it.
- Avoid using ammunition in firearms that are not specifically designed for it.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Load the INTERLOCK® bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.

2. Firing the Bullets:

- Position yourself in a stable stance with a firm grip on the firearm.
- Align your sights with your target and take a deep breath to steady yourself.
- Squeeze the trigger slowly and steadily to fire the bullet.
- After firing, maintain control of the firearm until you can confirm it is safe.

3. PostFiring Procedures:

- Always treat the firearm as if it is loaded.
- Open the action and visually inspect the chamber after firing.
- Store the firearm and ammunition safely.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not discard bullets in regular trash.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance, please contact your local firearm dealer or the manufacturer directly. Always ensure you have the latest information regarding safety practices and product recalls.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your INTERLOCK® 30 Caliber (0.308") Rifle Bullets. Always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important guidelines.
