# FULL LENGTH SIZING DIES REDDING 257 ROBERTS

## SAFETY INSTRUCTIONS

### Introduction

Thank you for purchasing the FULL LENGTH SIZING DIES REDDING 257 ROBERTS. This product is designed to help you resize your cartridge cases safely and effectively. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

### General Safety Guidelines

- Always ensure that you are using the die in accordance with the manufacturer's instructions.
- Keep the dies and all reloading equipment out of reach of children and unauthorized individuals.
- Use protective eyewear when operating reloading equipment to guard against potential hazards.
- Inspect the dies regularly for any signs of damage or wear. Do not use damaged dies.
- Ensure your workspace is clean, organized, and free from distractions.
- Do not consume food or beverages in the reloading area to avoid contamination.

### Specific Safety Precautions for Use

- **Cartridge Compatibility:** Ensure that the die is specifically designed for the 257 Roberts cartridge to prevent malfunction or accidents.
- **Headspace Gauge:** It is recommended to use a headspace gauge when setting up the full length sizing die to ensure proper sizing and fit.
- **Decapping Assembly:** Handle the decapping assembly with care. Ensure that it is properly installed before use.
- **Expander Ball:** Make sure the expander ball is securely attached to avoid any accidents during resizing.
- **Proper Lubrication:** Use appropriate case lube to prevent the case from sticking in the die, which can cause damage to both the die and the cartridge.
- **Avoid Overloading:** Do not exceed the recommended load limits for the cartridges being resized.

### Instructions for Installation and Usage

#### 1. Setup:

- Secure the die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height using the provided lock ring.

#### 2. Preparation:

- Clean your cartridge cases thoroughly before resizing.
- Apply a light coat of case lube to the outside of the case to facilitate smooth resizing.

#### 3. Resizing Process:

- Insert the cartridge case into the die.
- Operate the reloading press to push the case into the die, resizing it to the full length.
- After resizing, remove the case and check for proper sizing.

#### 4. Decapping:

- If decapping, ensure that the decapping pin is aligned correctly to prevent damage.
- Follow the same process for decapping as you would for resizing.

## 5. **PostUse:**

- Clean the die after use to remove any residue or lubricant.
- Store the dies in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies according to local regulations.
- Do not dispose of any reloading components in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING 257 ROBERTS, please refer to the manufacturer's contact information provided with your product. You can also check the EU Safety Gate platform for updates on product recalls and safety information.

Thank you for prioritizing safety while using the FULL LENGTH SIZING DIES REDDING 257 ROBERTS. Your careful attention to these guidelines will help ensure a safe and enjoyable reloading experience.
