# FULL LENGTH SIZING DIES REDDING Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 2506 REMINGTON. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your reloading die. Please read this document carefully before use to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure that your workspace is clean, welllit, and organized to prevent accidents.
- Always wear appropriate safety gear, including safety glasses and gloves, while handling reloading equipment.
- Keep your reloading dies and components out of reach of children and pets.
- Familiarize yourself with the operation of your reloading equipment before use.
- Always handle ammunition and reloading components responsibly and in accordance with local laws and regulations.
- Report any unsafe products or accidents to your local authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to your product.

## Specific Safety Precautions for Use

- Always use the FULL LENGTH SIZING DIES REDDING as intended and according to the manufacturer's instructions.
- Inspect the dies and components for damage or wear before each use. Do not use damaged equipment.
- Use a headspace gauge when setting up the full length sizing die to ensure proper sizing.
- Avoid overtightening the dies in the press, as this can cause damage or malfunction.
- Do not exceed recommended load specifications when reloading cartridges.
- Ensure that the area is free of any flammable materials while working with reloading components.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die from its packaging and inspect it for any damage.
- Place the die securely in your reloading press according to the manufacturer's instructions.
- Use the provided decapping assembly and expander ball as needed.

### 2. Usage:

- Adjust the die according to the specifications for the 2506 Remington cartridge.
- Insert the cartridge case into the press and lower the ram to resize the case.
- After resizing, check the dimensions of the case using a caliper or headspace gauge.
- Repeat the process for each cartridge case, ensuring consistent sizing.

### 3. PostUse:

- Clean the dies after use to remove any residue and prevent corrosion.
- Store the dies in a safe, dry place away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn reloading components in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that all hazardous materials are disposed of properly to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you have the product information ready when seeking support.

Thank you for prioritizing safety while using your reloading equipment. Enjoy your reloading experience!
