Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING 7X57MM MAUSER FULL LENGTH SIZING DIE

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 7X57MM MAUSER FULL LENGTH SIZING DIE. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the dies.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Store the dies in a dry, cool place to prevent corrosion and damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling the dies.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Always check that the dies are securely mounted before use.
- Avoid using excessive force when sizing cartridges to prevent damage to the dies or cases.
- Do not exceed the manufacturer's recommended specifications for cartridge sizing.
- If you experience any unusual resistance or difficulty while using the dies, stop immediately and inspect for issues.
- Follow the recommended procedures for decapping and expanding to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the FULL LENGTH SIZING DIES.
- Clean the dies with a suitable cleaning solution to remove any manufacturing residues.
- Mount the die securely in the reloading press according to the manufacturer's instructions.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the cartridge case into the die, ensuring it is properly aligned.
- Pull the handle of the reloading press to size the cartridge case fully.
- After sizing, remove the cartridge case from the die.
- Inspect the sized case for proper dimensions and any signs of damage.
- Repeat the process for additional cases as needed.

3. Decapping and Expanding:

- Follow the specific instructions for the decapping assembly and expander ball included with your

dies.

- Ensure that the decapping pin is correctly positioned to avoid damaging the primer pocket.
- Use gentle pressure when expanding the case neck to avoid splitting.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING 7X57MM MAUSER FULL LENGTH SIZING DIE, please refer to the manufacturer's contact details provided with the product or visit their official website for more information.

Thank you for prioritizing safety while using your reloading equipment. Enjoy your reloading experience!
