FULL LENGTH SIZING DIES REDDING 260 REMINGTON Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 260 REMINGTON. This product is designed to help you resize your cartridges safely and effectively. Please read this safety instruction guide carefully to ensure the safe use of the dies and to comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the dies in accordance with the manufacturer's instructions.
- Ensure the workspace is clean and free from obstructions before starting.
- Keep the dies and all reloading equipment out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of damage or wear before each use.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when operating the dies.
- Do not attempt to modify or alter the dies in any way.

Specific Safety Precautions for Use

- Ensure that the die is properly secured in the reloading press before use.
- Use a headspace gauge when setting up the full length sizing die to ensure correct sizing.
- Always handle cartridges with care; avoid exposing them to heat or open flames.
- Do not exceed the recommended load specifications for your cartridges.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of your reloading manual.

Instructions for Installation and Usage

1. Installation of the Die:

- Remove the die from its packaging and inspect for any damage.
- Insert the die into the reloading press and tighten it securely.
- Attach the decapping assembly and expander ball as per the manufacturer's instructions.

2. Preparing to Resize:

- Make sure your workspace is organized and all necessary tools are available.
- Place the cartridge case into the shell holder of the reloading press.

3. Resizing the Cartridge:

- Pull the handle of the reloading press to lower the die onto the cartridge case.
- Apply steady pressure until the resizing process is complete.
- Release the handle and remove the resized cartridge case from the shell holder.

4. PostUse Care:

- Clean the die after use to prevent residue buildup.
- Store the die in a safe, dry place away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn dies responsibly. Check local regulations for proper disposal methods.
- Do not throw dies in regular household waste. Contact local recycling centers for guidance.
- Ensure that any hazardous materials are handled according to local environmental regulations.

Contact Information for Further Support

For any inquiries or concerns regarding the FULL LENGTH SIZING DIES REDDING 260 REMINGTON, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using your reloading equipment. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
