FULL LENGTH SIZING DIES REDDING 7 MM BR (BENCHREST) REMINGTON Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 7 MM BR (BENCHREST) REMINGTON. This guide provides essential safety instructions and usage information to ensure safe handling and operation of the product. Please read this document carefully before using the dies.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling and using reloading equipment.
- Ensure that your workspace is clean, organized, and free of obstructions to prevent accidents.
- Keep the dies and all reloading materials out of reach of children and unauthorized individuals.
- Be aware of your surroundings and avoid distractions while using the dies.
- Regularly inspect the dies for signs of wear or damage before use. Do not use damaged dies.
- Store the dies in a secure location when not in use to prevent unauthorized access.

Specific Safety Precautions for Use

- **Hazard Identification:** The primary hazards associated with the use of these dies include:
 - Risk of injury from sharp edges or moving parts.
 - Potential for incorrect sizing leading to cartridge malfunction.
- **Avoiding Hazards:**
 - Always ensure that the die is properly installed and secured in your reloading press before use.
 - Follow the manufacturer's instructions for setting up and adjusting the die.
 - Do not exceed recommended load specifications for cartridges.
 - Use a headspace gauge to ensure proper setup and avoid cartridge malfunctions.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is properly mounted and stable.
- Remove any existing dies from the press before installing the new die.
- Insert the FULL LENGTH SIZING DIE into the press and tighten it securely.
- Install the decapping assembly and expander ball according to the manufacturer's instructions.

2. Usage:

- Prepare your cartridge cases by cleaning them thoroughly before sizing.
- Insert the cartridge case into the die and ensure it is seated correctly.
- Operate the reloading press to size the cartridge case fully, ensuring that both the neck and body are sized.
- After sizing, inspect the cartridge case for any defects or issues.
- Store the completed cartridge cases in a safe and organized manner.

Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Do not throw dies or reloading materials in regular trash. Contact your local waste management facility for proper disposal methods.
- Ensure that all used cartridge cases and materials are disposed of in a safe manner to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING 7 MM BR (BENCHREST) REMINGTON, please refer to the manufacturer's contact information provided with the product. It is important to address any safety inquiries to ensure safe and effective use of the product.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective reloading experience with the FULL LENGTH SIZING DIES REDDING 7 MM BR (BENCHREST) REMINGTON. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) to protect yourself and others. Thank you for your attention to these important safety guidelines.
