

45-70 GOVERNMENT CUSTOM GRADE 3-DIE SET - 45-70 GOVERNMENT FULL LENGTH 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Hornady's Custom Grad Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. The Custom Grade Full Length 3-Die Set includes a Custom Grade Full Length Die, Seater Die, and Expander Assembly. Dies are complete with Zip Spindle decap assembly and double-flat lock rings, packaged in a custom plastic die box.

Safety Instruction Guide for Hornady 4570 Government Custom Grade 3Die Set

Introduction

Thank you for choosing the Hornady 4570 Government Custom Grade 3Die Set. This product is designed to provide you with highquality reloading capabilities. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Keep the dies and all reloading components out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in the manual.
- Regularly inspect the dies for any signs of wear or damage before each use.
- Ensure that your work area is clean, welllit, and free from distractions.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Be aware of the specific hazards associated with reloading, including but not limited to the handling of primers, powders, and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improperly handled or malfunctioning dies.
 - Risk of explosion from improper handling of reloading components.
- **Avoiding Hazards:**
 - Do not exceed recommended load data.
 - Follow manufacturers' instructions for all components used in the reloading process.
 - Store all reloading components in a safe and secure location.
 - Avoid using damaged or wornout tools.
- **AgeSpecific Warning:**
 - This product is not intended for use by individuals under the age of 18. Always supervise minors if they are involved in the reloading process.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the reloading press is properly mounted and stable before installation.
 - Carefully follow the instructions provided with your reloading press for die installation.
 - Install the Custom Grade Full Length Die, Seater Die, and Expander Assembly according to the specific instructions provided by Hornady.
- **Usage:**
 - Always doublecheck that the dies are securely tightened before beginning the reloading process.
 - Follow the reloading data provided by Hornady or other reputable sources to determine appropriate powder charges and bullet seating depths.
 - Use the Zip Spindle decap assembly as instructed to ensure proper function.
 - After reloading, inspect each cartridge for defects before use.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Follow local guidelines for the disposal of reloading components, including primers and powders.

- Never dispose of reloading components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of your Hornady 4570 Government Custom Grade 3Die Set, please refer to the product packaging or visit Hornady's official website for additional support resources.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Thank you for choosing Hornady products.
