Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING 6MM PPC FULL LENGTH SIZING DIE (SMALL BASE)

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 6MM PPC FULL LENGTH SIZING DIE (SMALL BASE). This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die, and keep it for future reference.

General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure that the workspace is clean and free from clutter before starting any work.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against debris and sharp edges.
- Keep the die and all related tools out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not attempt to modify or alter the die in any way, as this may compromise safety and functionality.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Ensure that the cartridge you are resizing is compatible with the die (6mm PPC).
- Always use a headspace gauge when setting up the full length sizing die to ensure proper fit and function.
- Do not exceed the recommended load limits for your cartridges, as this may lead to dangerous malfunctions.
- When decapping, ensure that the decapping assembly is securely attached and functioning properly to prevent accidents.
- Avoid wearing loose clothing or jewelry that could become caught in machinery during operation.
- Always work in a wellventilated area to avoid inhaling any dust or fumes.

Instructions for Installation and Usage

1. Installation:

- Begin by securely mounting the sizing die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.
- Attach the decapping assembly and expander ball as per the provided instructions.

2. Usage:

- Before resizing, inspect each cartridge for any signs of damage or defects.
- Insert the cartridge into the die and ensure it is seated correctly.
- Operate the reloading press slowly and steadily, applying even pressure to resize the cartridge.
- After resizing, check the cartridge dimensions with a headspace gauge to confirm proper sizing.
- Clean the die after use to prevent residue buildup and ensure longevity.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Recycle materials when possible, and ensure that any hazardous materials are disposed of properly.
- Do not throw away the die in regular household waste if it is still functional; consider donating or selling it.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please contact the manufacturer or a qualified expert in reloading equipment.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING DIES REDDING 6MM PPC FULL LENGTH SIZING DIE (SMALL BASE).
