FULL LENGTH SIZING DIES REDDING 6MM BR

SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the FULL LENGTH SIZING DIES REDDING 6MM BR. These dies are designed to help you achieve precise cartridge sizing for optimal performance. This safety instruction guide is intended to ensure safe and effective use of the product while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instruction manual thoroughly before use.
- Ensure that all tools and dies are in good condition before starting any work.
- Keep the dies out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when handling dies.
- Avoid using the dies if they show signs of wear or damage.
- Ensure the work area is clean and free of obstructions to prevent accidents.
- Use the dies only for their intended purpose as specified in the product description.
- Be cautious when handling sharp tools associated with the sizing process.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Remove any old dies from the press before installing the new sizing die.
- Install the FULL LENGTH SIZING DIE by screwing it into the press according to the manufacturer's specifications.

2. Adjustment:

- Use a headspace gauge to set the die to the correct length for your cartridges.
- Adjust the die until it properly sizes the neck and body of the case without oversizing.

3. Decapping and Expanding:

- Insert the decapping assembly and ensure it is properly aligned.
- Use the expander ball to ensure consistent neck sizing.

4. Testing:

- After setup, run a few test cartridges to ensure proper sizing.
- Inspect the cartridges for any signs of improper sizing or damage.

5. Cleaning:

- After use, clean the dies with a soft cloth to prevent rust and maintain their functionality.

Disposal Instructions

- Dispose of any used or damaged dies in accordance with local regulations.
- Do not dispose of dies in regular household waste. Check for local recycling programs that accept metal components.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided on the packaging or the official website.

By following these guidelines and instructions, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING DIES REDDING 6MM BR. Thank you for prioritizing safety!
