FULL LENGTH SIZING DIES REDDING 22 PPC FULL LENGTH SIZING DIE (SMALL BASE) Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 22 PPC FULL LENGTH SIZING DIE (SMALL BASE). This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks and ensure optimal performance.

General Safety Guidelines

- Always handle reloading equipment with care and attention.
- Ensure that your workspace is clean, organized, and free from distractions.
- Keep all tools and components out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Regularly inspect the die for signs of wear or damage before use.
- Do not exceed the recommended load specifications for your cartridges.
- Follow all local laws and regulations regarding ammunition reloading and handling.

Specific Safety Precautions for Use

- **Hazard Identification:** Using this die improperly may lead to injuries or accidents. Potential hazards include:
 - Improper sizing leading to cartridge malfunction.
 - Injury from sharp edges or moving parts.
 - Exposure to lead or other hazardous materials during handling.
- **Avoiding Hazards:**
 - Always ensure the die is properly set up and adjusted before use.
 - Do not attempt to modify or repair the die without proper knowledge and tools.
 - Use a headspace gauge when setting up the die to ensure correct sizing.
 - Keep fingers and hands clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Clean the die and ensure all parts are present.
- Attach the die to your reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific cartridge.
- Securely tighten all connections to prevent loosening during use.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die and ensure it is properly positioned.
- Operate the reloading press according to the manufacturer's guidelines, applying steady pressure.
- After sizing, check the cartridge case dimensions with a caliper or gauge to ensure proper sizing.
- Remove the cartridge case from the die and inspect for any defects.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not throw the die in regular household waste. Instead, check for local recycling programs that accept metal products.
- If you have any hazardous materials, such as lead, ensure they are disposed of following safety guidelines.

Contact Information for Further Support

For any inquiries related to safety, usage, or support, please refer to the manufacturer's customer service resources. Always ensure you have the product details ready when seeking assistance.

By following this safety instruction guide, you can ensure a safer and more effective reloading experience with the FULL LENGTH SIZING DIES REDDING 22 PPC FULL LENGTH SIZING DIE (SMALL BASE). Always prioritize safety and responsible handling of all reloading equipment.
