

LNL COMPARATOR BODY W/ 14 INSERTS - HORNADY LNL COMPARATOR BODY W/ 14 INSERTS

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Stoney Point Chamber-All Bullet Comparator body attaches to the blade of your caliper with a small thumb screw and utilizes inserts for each caliber. The design of this tool allows proper alignment when used with the Stoney Point Chamber-All OAL gauge (offset position), or it can be used in a conventional centerline method. Inserts are sold separately, or the tool can be purchased with six inserts as a kit. The body can also be used with to hold the Stoney Point headspace gage inserts.

Safety Instruction Guide for LNL Comparator Body with 14 Inserts

Introduction

Thank you for choosing the LNL Comparator Body with 14 Inserts by Hornady. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the comparator.

General Safety Guidelines

- Ensure the comparator is used only for its intended purpose.
- Always inspect the comparator and inserts for damage before use.
- Keep out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses when using the comparator.
- Follow all local laws and regulations regarding the use of this product.

Specific Safety Precautions for Use

- Always ensure that the comparator is securely attached to the caliper before use.
- Avoid using excessive force when attaching or detaching inserts.
- Do not modify the comparator or its components in any way.
- Use only Hornady-approved inserts with the comparator.
- Be aware of your surroundings to prevent accidents during use.

Instructions for Installation and Usage

Installation

1. Attach the Comparator to the Caliper:

- Locate the blade of your caliper.
- Align the comparator body with the blade.
- Secure the comparator using the small thumb screw provided.

2. Insert Selection:

- Choose the appropriate insert for your caliber from the available options.
- Gently insert the chosen caliber insert into the comparator body until it is firmly in place.

Usage

1. Measuring with the Comparator:

- Position the comparator against the bullet or case you wish to measure.
- Ensure proper alignment for accurate readings.
- Take the measurement as per your needs, either in the offset position or conventional centerline method.

2. Storing the Comparator:

- After use, remove the insert and store it separately.
- Keep the comparator in a dry and safe location to prevent damage.

Disposal Instructions

- Dispose of the comparator and any inserts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the designated EU contact point for this product. Ensure you have the product details handy for reference.

By following these guidelines, you help ensure your safety and the safety of others while using the LNL Comparator Body with 14 Inserts. Thank you for your attention to these important safety instructions.
