Safety Instruction Guide for FULL LENGTH DIE SETS 5.7X28MMMM

Introduction

Thank you for choosing the Redding FULL LENGTH DIE SET 5.7X28MMMM. This product is designed for safe and effective use in reloading ammunition. Please read this safety instruction guide carefully to ensure proper handling, installation, and usage of the die set, as well as to understand your rights as a consumer under the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you are familiar with the operation of reloading equipment before using this die set.
- Always handle all reloading components with care to avoid accidents.
- Store the die set in a safe place, out of reach of children and vulnerable individuals.
- Regularly check the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Keep your workspace clean and welllit to avoid accidents.
- Do not exceed the recommended load specifications for the 5.7 x 28 mm cartridge.
- Avoid distractions while using the die set to maintain focus and safety.
- If you experience any difficulties or have questions about the die set, seek assistance from a knowledgeable individual.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is securely mounted and stable.
- Insert the full length sizing die into the press according to the manufacturer's instructions.
- Adjust the die to the correct position for sizing the cartridge.
- Secure the seating die in the same manner, ensuring it is properly aligned.

2. Usage

- Begin with the full length sizing die to resize your brass cases.
- Follow the manufacturer's instructions for setting the die adjustment.
- Use the seating die to properly seat the bullet into the cartridge case.
- Regularly check the dimensions of your reloaded cartridges to ensure they meet safety standards.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not throw the die set in regular household waste; instead, follow specific recycling or hazardous waste disposal guidelines for metal products.
- Ensure that any unused or excess materials related to reloading are disposed of safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH DIE SET 5.7X28MMMM, please refer to the manufacturer's website or customer service for assistance. It is important to have access to a contact point for safety inquiries as required under EU regulations.

Reporting Unsafe Products

If you encounter any unsafe products or accidents related to this die set, please report them to the appropriate local authorities. You can also check for recall updates on the EU's Safety Gate platform to stay informed about any safety alerts.

By following these safety instructions, you can ensure a safe and effective experience with your Redding FULL LENGTH DIE SET 5.7X28MMMM. Thank you for your attention to safety and compliance.
