

# COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 300 WEATHERBY MAG

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

## Attributes

- Name: COMPETITION BUSHING NECK DIE 300 WEATHERBY MAG
- Manufacturer: REDDING
- Product no.: 749007428
- Mfr. No.: 56252
- Cartridge: 300 Weatherby Magnum
- Die Style: Neck Die
- Delivery weight: 0.476kg
- Shipping height: 46mm
- Shipping width: 109mm
- Shipping length: 152mm
- UPC: 611760562525

# Safety Instruction Guide for Competition Bushing Neck Die 300 Weatherby Mag

## Introduction

Thank you for choosing the Competition Bushing Neck Die for your reloading needs. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die and all reloading components in a secure place, out of reach of children and pets.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Do not modify or alter the die in any way, as this may compromise its safety and effectiveness.
- Ensure that the die is compatible with the specific cartridge you are using (e.g., 300 Weatherby Magnum).
- Inspect the die for any signs of damage or wear before each use. Do not use a damaged die.
- Follow the manufacturer's instructions for the proper setup and adjustment of the die.
- Use only recommended bushings and shellholders that are compatible with the die.
- Avoid overtightening the die in the press, as this may lead to equipment failure.
- Do not attempt to resize cases that are excessively damaged or worn.

## Instructions for Installation and Usage

### 1. Setup

- Gather all necessary tools and materials, including the Competition Bushing Neck Die, compatible bushings, shellholders, and a reloading press.
- Ensure the reloading press is securely mounted on a stable surface.

### 2. Installation

- Insert the Competition Bushing Neck Die into the reloading press.
- Adjust the die height according to the manufacturer's instructions, ensuring it is properly aligned with the press.
- Select and install the appropriate bushing for the desired neck size.

### 3. Usage

- Place a cartridge case into the sliding sleeve of the die.
- Slowly raise the press handle to begin the sizing process, ensuring the case is fully supported.
- Monitor the alignment of the decapping rod and the case neck during resizing.
- After sizing, carefully remove the resized case from the die.
- Repeat the process for additional cases, ensuring consistent operation.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die or any reloading components in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Competition Bushing Neck Die, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety in your reloading activities. Enjoy your shooting experience with the Competition Bushing Neck Die!
