

COMPETITION SEATER DIES - REDDING 204 RUGER BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

Safety Instruction Guide for COMPETITION SEATER DIES REDDING 204 RUGER BULLET SEATING DIE

Introduction

Thank you for choosing the Redding Competition Seater Dies for 204 Ruger. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before use and keep it for future reference.

General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always handle all reloading equipment with care to prevent accidents.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any damage before each use. Do not use if damaged.
- Use only the specified cartridge (204 Ruger) for this die.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Ensure your workspace is clean and free of clutter to minimize the risk of accidents.
- Avoid distractions while using the die; focus on the task at hand.
- Do not exceed the recommended load specifications for the 204 Ruger cartridge.
- Store all reloading materials, including the die, in a cool, dry place away from direct sunlight.
- Be aware of the potential hazards associated with reloading, including handling gunpowder and primers.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Insert the Redding Competition Seater Die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

2. Usage

- Set the die to the desired seating depth as per your reloading specifications.
- Place a case in the shell holder of the press, ensuring it is properly aligned.
- Insert a bullet into the case mouth and raise the ram to seat the bullet.
- Lower the ram and remove the completed cartridge from the press.
- Inspect each completed cartridge for proper seating and overall quality.

Disposal Instructions

- Dispose of any unused or unwanted components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Seater Die, please contact the manufacturer directly through their official channels. Ensure you have the product details ready for a more efficient response.

Conclusion

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Redding Competition Seater Dies for 204 Ruger. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your commitment to safe reloading practices.
