# BOSS RELOADING PRESS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOSS RELOADING PRESS by Redding. This guide provides essential safety instructions to ensure the safe and effective use of your reloading press. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the press is used in a wellventilated area.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Keep the work area clean and organized to avoid accidents.
- Store all reloading components out of reach of children and pets.
- Do not leave the press unattended while in use.
- Be aware of your surroundings and avoid distractions while operating the press.
- Regularly inspect the press for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from moving parts: Keep hands and other body parts away from the ram and die area while operating.
  - Risk of eye injury: Always wear safety glasses to protect against debris.
  - Risk of burns: Some components may become hot during operation; allow them to cool before handling.
- **Avoiding Hazards:**
  - Ensure that all components are securely tightened before use.
  - Do not overload the press beyond its specified limits.
  - Use only compatible dies and accessories designed for the BOSS RELOADING PRESS.
  - Follow manufacturer guidelines for reloading materials and procedures.

## Instructions for Installation and Usage

- **Installation:**
  1. Place the press on a stable, flat surface that can support its weight.
  2. Secure the press to the workbench using bolts for added stability.
  3. Attach the priming attachment arm according to the manufacturer's instructions.
- **Usage:**
  1. Refer to the reloading manual for specific instructions on die installation and operation.
  2. Always ensure that the press is in the "off" position before making adjustments.
  3. Load the press with the appropriate materials as specified in the reloading manual.
  4. Operate the press using a smooth, steady motion to avoid jerking or sudden movements.
  5. After use, clean the press and store it in a safe location.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the press or any components become damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of hazardous materials (e.g., spent primers, powder) in regular trash; follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or usage of the BOSS RELOADING PRESS, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your BOSS RELOADING PRESS. Thank you for your attention to safety and happy reloading!
