

BENCHREST RIFLESCOPES - BENCHREST 12-42X56MM SFP NP-2DD RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Purpose-Built, Durable Precision Optics With 30mm Tubes

Each of Nightforce's Precision Benchrest models feature 56mm multi-coated lenses, providing the superior resolution necessary to distinguish fine detail at extremely long ranges. An adjustable objective allows extra-fine focus to adjust parallax from 25 yards to infinity. Target turrets are calibrated in true .125 M.O.A. (1/8 click) values and can be re-indexed to zero after sighting in. Both Precision Benchrest riflescopes are equipped with a coil spring plunger return system to maximize tracking accuracy. The eyepiece provides fast reticle focusing, and a glass-etched illuminated reticle provides optimum image/reticle contrast under virtually any lighting conditions. You have two choices of magnification ranges. But only one choice in the ultimate benchrest riflescopes. Includes a sunshade and lenscover.

Attributes

- Name: [BENCHREST 12-42X56MM SFP NP-2DD RETICLE BLACK](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 749008496
- Mfr. No.: C107
- Click Value: 1/8 MOA
- Click Value: 1/8 MOA
- Eye Relief: 2.90"
- Finish: Matte Black
- Focal Plane: Second
- Illumination: No
- Length: 17"
- Max Magnification: 42x
- Min. Magnification: 12x
- Model Number: NF
- Objective Size: 56mm
- Reticle: NP-2DD
- Tube Size: 30mm
- Weight: 36.0 oz
- Delivery weight: 1.814kg
- Shipping height: 122mm
- Shipping width: 130mm
- Shipping length: 564mm

BENCHREST RIFLESCOPES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BENCHREST 1242X56MM SFP NP2DD RETICLE BLACK riflescope from Nightforce. This guide provides important safety instructions and guidelines to ensure the safe use of your riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the riflescope only with compatible firearms.
- Always ensure the firearm is unloaded when attaching or detaching the riflescope.
- Avoid looking directly at the sun through the riflescope to prevent eye damage.
- Ensure proper eye relief is maintained to avoid injury.
- Do not modify the riflescope in any way.
- Always store the riflescope in a safe and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Attach the riflescope to the rifle using appropriate mounts and rings.
- Make sure the riflescope is securely fastened to prevent movement during use.

2. Usage:

- Adjust the eyepiece for proper reticle focus.
- Use the adjustable objective to set parallax according to the distance of your target.
- Use the target turrets to make adjustments for windage and elevation as needed.
- Always check your zero before shooting to ensure accuracy.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations concerning electronic waste and hazardous materials.
- Do not dispose of the riflescope in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BENCHREST 1242X56MM SFP NP2DD RETICLE BLACK riflescope,

please consult the official Nightforce website or reach out to your local retailer for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience responsibly and safely!
