

# FTX® .45 CALIBER (.452") PISTOL BULLETS - FTX 45 CALIBER (0.452") 200GR POLYMER TIPPED 50/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FTX® bullets revolutionized lever gun ballistics, creating a new level of performance for these popular firearms. Lever gun enthusiasts can now harness the accuracy, power and long-range performance of a tipped bullet that's safe to load in tubular magazines. Hornady® offers the same Flex Tip® technology for handguns that revolutionized lever guns. Typical hollow point pistol bullets deliver good performance at modest velocities, but have a tendency to expand too quickly and sacrifice penetration at the higher velocities achieved with lever action guns. FEATURES PATENTED FLEX TIP® BULLET TECHNOLOGY: Upon impact, the soft tip compresses into the bullet, initiating immediate expansion across a wide range of velocities. Safe to shoot in tubular magazines as well as any other firearm. INTERLOCK® RING: The one-piece, high antimony lead core of the FTX® is mechanically locked to the jacket with an InterLock ring. This, along with a specially designed jacket, results in reliable performance and maximum weight retention for deep penetration on large or heavy-bodied game animals. BALLISTICALLY EFFICIENT SECANT OGIVE: Pioneered by Hornady,® the secant ogive profile delivers stability, flat trajectories and amazing accuracy. SPECIALLY ENGINEERED JACKET: The heavy jacket over the shank of the bullet combined with our proven InterLock® design controls expansion and enhances accuracy.

## Attributes

- Name: [FTX 45 CALIBER \(0.452"\) 200GR POLYMER TIPPED 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749009746
- Mfr. No.: 45215
- Bullet Style: Flex Tip Expanding (FTX)
- Caliber: 45 Caliber
- Diameter (Breech): -
- Diameter (in): 0.452
- Grain: 200
- Quantity: 50
- Delivery weight: 0.703kg
- Shipping height: 53mm
- Shipping width: 53mm
- Shipping length: 104mm
- UPC: 090255452150

## Item details

Made in USA

US export classification: 0A505.x

# FTX® .45 Caliber Pistol Bullets Safety Instruction Guide

## Introduction

Thank you for choosing Hornady® FTX® .45 Caliber (0.452") Pistol Bullets. This guide provides essential safety information and instructions for the safe use of these bullets. Please read this document carefully to ensure safe handling and usage.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding ammunition in your area.
- Always handle ammunition with care, treating every round as if it is live.
- Store ammunition in a cool, dry place away from direct sunlight and out of reach of children.
- Use appropriate safety equipment, such as eye and ear protection, when handling or firing ammunition.
- Regularly inspect your ammunition for any signs of damage or defects before use.
- Follow all manufacturer instructions for your firearm to ensure compatibility with FTX® bullets.

## Specific Safety Precautions for Use

- **Age Restrictions:** These bullets are intended for use by individuals who are legally permitted to possess ammunition. Ensure that minors are supervised by a responsible adult at all times.
- **Impact Safety:** Be aware that upon impact, the soft Flex Tip® compresses, initiating expansion. Always ensure that your target is safe and appropriate for shooting.
- **Firearm Compatibility:** Ensure that your firearm is designed to safely use .45 caliber ammunition. Consult your firearm's manual for guidance.
- **Avoid Overloading:** Do not exceed the recommended load specifications for your firearm.
- **Tubular Magazines:** These bullets are safe to load in tubular magazines. However, always refer to your firearm's manual for specific loading instructions.

## Instructions for Installation and Usage

### • Loading the Ammunition:

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Open the magazine according to the firearm's manual.
3. Carefully insert the FTX® bullets into the magazine, ensuring they are seated properly.
4. Close the magazine and ensure it is securely locked in place.

### • Firing the Ammunition:

1. Always wear appropriate safety gear (eye and ear protection).
2. Load the firearm following the manufacturer's instructions.
3. Aim at a designated safe target area.
4. Follow standard firearm safety protocols when firing.

### • PostFiring:

1. After use, ensure the firearm is unloaded and stored safely.
2. Inspect the fired bullets and spent casings for any abnormalities.

## **Disposal Instructions**

- Dispose of used or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Instead, contact local authorities or a licensed disposal service for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of Hornady® FTX® .45 Caliber Pistol Bullets, please refer to the product packaging for contact details of the manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Hornady® FTX® .45 Caliber Pistol Bullets. Always prioritize safety and responsible usage.
