

# SINCLAIR CASE NECK BRUSHES - SINCLAIR INTERNATIONAL CASE NECK CLEANING KIT, 17-45 CALIBER

[Reloading](#) > [Case Cleaning](#) > [Case Cleaning Products](#)

The Sinclair Case Neck Brushes are used to keep case necks free from dirt and powder residue build-up. Brushes are nylon bristle with a closed-loop bronze core to protect from scratching your case necks. The 8-32 male threads fit the Sinclair Accessory Handle (not included). We offer brush sizes to more appropriately clean today's popular calibers, including 17's and 20's. Brushes are available individually, or complete in the Sinclair Case Neck Cleaning Kit with one of each size brush and the Sinclair Accessory Handle.

# Safety Instruction Guide for Sinclair Case Neck Brushes

## Introduction

Thank you for choosing the Sinclair Case Neck Brushes and the Sinclair Case Neck Cleaning Kit. This guide provides important safety instructions to ensure the safe use of these products. Please read this guide carefully before using the brushes to avoid any risks and ensure optimal performance.

## General Safety Guidelines

- Ensure that the brushes are used only for their intended purpose: cleaning case necks.
- Always inspect the brushes before use for any signs of wear or damage.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves if necessary.
- Do not use the brushes on surfaces or materials that may be damaged by brushing.

## Specific Safety Precautions for Use

- Avoid using excessive force while cleaning to prevent damage to the case necks.
- Do not use the brushes with any cleaning agents that are not specified for use with these products.
- Ensure that the brushes are securely attached to the Sinclair Accessory Handle before use.
- Do not attempt to modify the brushes or the accessory handle in any way.
- If any bristles become loose or break off, discontinue use immediately and replace the brush.

## Instructions for Installation and Usage

### 1. Installation of the Brush:

- Select the appropriate brush size for your caliber (1745).
- Align the 832 male threads of the brush with the Sinclair Accessory Handle.
- Gently screw the brush into the handle until it is securely fastened.

### 2. Using the Brush:

- Insert the brush into the case neck.
- Rotate the brush gently to remove dirt and powder residue.
- Repeat as necessary until the case neck is clean, ensuring not to apply excessive pressure.

### 3. PostUse Care:

- After use, clean the brush by rinsing it under warm water to remove any debris.
- Allow the brush to air dry completely before storing it.
- Store the brushes in a dry, cool place away from direct sunlight.

## Disposal Instructions

- Dispose of any damaged or worn brushes in accordance with local waste disposal regulations.
- Do not dispose of brushes in household recycling bins unless specifically permitted by local guidelines.
- For brushes that are no longer usable, consider contacting local waste management for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of Sinclair Case Neck Brushes, please refer to your local Sinclair International representative or authorized distributor for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your Sinclair Case Neck Brushes and Cleaning Kit.
