

404 JEFFERY BRASS CASE - 404 JEFFERY BRASS 20/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Attributes

Safety Instruction Guide for 404 Jeffery Brass Case

Introduction

Thank you for choosing the 404 Jeffery Brass Case by Hornady. This guide provides important safety information and instructions to ensure safe handling and usage of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use ammunition components in your jurisdiction.
- Always handle brass cases with care to prevent injury.
- Keep brass cases out of reach of children and unauthorized users.
- Use brass cases only with compatible ammunition and firearms as specified by the manufacturer.
- Regularly inspect brass cases for signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper handling can lead to personal injury. Using damaged or worn brass cases can result in firearm malfunction.
- **Avoiding Hazards:** Always wear safety glasses when handling brass cases. Do not use brass cases that show signs of cracks, dents, or other damage. Store brass cases in a cool, dry place to prevent corrosion. Follow all manufacturer guidelines for reloading and usage.

Instructions for Installation and Usage

- **Installation:** Ensure your workspace is clean and free of obstructions. Gather all necessary tools and materials for reloading.
- **Usage:** Inspect each brass case before loading to ensure it is free from defects. Follow the reloading data specific to the 404 Jeffery caliber to ensure safe and effective loading. Use a reloading press suitable for the 404 Jeffery caliber. Ensure proper bullet seating and crimping as per the reloading manual. After reloading, doublecheck the completed cartridges for any irregularities.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Consider recycling brass cases if possible, as they can be repurposed.

Contact Information for Further Support

For any safety inquiries, please refer to the relevant local authorities or the manufacturer's customer service for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your 404 Jeffery Brass Case. Thank you for prioritizing safety!
