

# 500 NITRO EXPRESS BRASS CASE - 500 NITRO EXPRESS 3" BRASS 20/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

# Safety Instruction Guide for 500 Nitro Express Brass Case

## Introduction

Thank you for choosing the 500 Nitro Express Brass Case from Hornady. This product is designed for precision and performance in rifle shooting. Please read this safety instruction guide carefully to ensure safe handling and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition components with care and respect.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Inspect brass cases for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

## Specific Safety Precautions for Use

- Ensure that you are using the correct caliber and type of brass case for your firearm.
- Do not attempt to modify or alter the brass cases in any way.
- Always wear appropriate eye and ear protection while reloading and shooting.
- Avoid using damaged or deformed brass cases, as they may cause malfunctions or accidents.
- Use only recommended primers and powders when reloading to ensure safety and performance.

## Instructions for Installation and Usage

- Carefully inspect each brass case before use. Look for any cracks, dents, or other imperfections.
- Ensure that your reloading equipment is clean and in good working condition.
- When reloading, follow the manufacturer's guidelines for powder charges and bullet seating depths.
- After reloading, visually inspect each cartridge to confirm proper assembly and functionality.
- Store completed ammunition in a designated, safe location away from heat sources and moisture.

## Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not discard brass cases in regular household waste.
- Consider recycling brass cases to minimize environmental impact. Check with local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 500 Nitro Express Brass Case, please refer to the EU contact point provided by the manufacturer. Ensure that you have the product details on hand when seeking assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 500 Nitro Express Brass Case. Always prioritize safety and stay informed about any product recalls or updates through the EU's Safety Gate platform.
