Safety Instruction Guide for TURBO CASE CLEANING MEDIA 10 LBS TREATED CORNCOB MEDIA

Introduction

Thank you for choosing the TURBO CASE CLEANING MEDIA 10 LBS TREATED CORNCOB MEDIA by Lyman. This product is designed for cleaning dirty and tarnished cases effectively. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others while using this product, please adhere to the following general safety guidelines:

- Always use the product in a wellventilated area to avoid inhalation of dust.
- Keep the product out of reach of children and pets.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Regularly check for updates on product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

When using the TURBO CASE CLEANING MEDIA, please observe the following specific safety precautions:

- Wear protective gloves and a dust mask to minimize exposure to dust.
- Do not operate the Lyman Turbo Tumbler without proper supervision.
- Ensure that the tumbler is placed on a stable surface to prevent spills.
- Avoid overfilling the tumbler to ensure proper operation and avoid accidents.
- Follow the manufacturer's instructions for the Lyman Turbo Tumbler regarding operation and maintenance.

Instructions for Installation and Usage

To ensure the effective use of the TURBO CASE CLEANING MEDIA, please follow these instructions:

1. Preparation:

- Ensure the Lyman Turbo Tumbler is clean and free from any previous media.
- Gather the cases that need cleaning.

2. Loading the Tumbler:

- Add the TURBO CASE CLEANING MEDIA to the tumbler as per the manufacturer's guidelines.
- Load the dirty cases into the tumbler without exceeding the recommended capacity.

3. Operating the Tumbler:

- Securely close the lid of the tumbler.
- Plug in the tumbler and turn it on.
- Allow the tumbler to operate for the recommended time, typically a few hours.

4. PostOperation:

- Once the cleaning cycle is complete, turn off the tumbler and unplug it.
- Carefully open the tumbler lid to avoid dust exposure.
- Remove the cleaned cases and dispose of the used media as per disposal instructions below.

Disposal Instructions

Proper disposal of the TURBO CASE CLEANING MEDIA is essential for environmental safety:

- Dispose of the used media in accordance with local regulations.
- Do not dispose of the media in water bodies or open landfills.
- If unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the TURBO CASE CLEANING MEDIA, please refer to the contact information provided on the product packaging or the manufacturer's website.

By adhering to the safety instructions outlined in this guide, you can ensure a safe and effective experience while using the TURBO CASE CLEANING MEDIA. Thank you for prioritizing safety and responsible use.
