# **Safety Instruction Guide for TURBO CASE CLEANING MEDIA LYMAN 6 LBS UNTREATED CORNCOB MEDIA**

## **Introduction**

Thank you for choosing Lyman Case Cleaning Media. This product is designed for effective cleaning of dirty and tarnished cases using a Lyman Turbo Tumbler. The following safety instructions are provided to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always read and follow the instructions provided with the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Regularly check for any updates or recalls regarding the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Avoid inhaling dust generated while using the cleaning media.
- Wear appropriate personal protective equipment (PPE), such as gloves and a dust mask, while handling the product to minimize exposure.
- Do not ingest the cleaning media. It is not food and should be used only as directed.
- Ensure that the cleaning area is wellventilated to reduce the risk of inhaling dust.
- Store the product in a cool, dry place, away from direct sunlight and moisture to prevent degradation.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary materials, including the Lyman Turbo Tumbler and the cleaning media.
- Ensure that the tumbler is clean and free from any previous media or contaminants.

### **2. Loading the Tumbler:**

- Pour the required amount of untreated corncob media into the tumbler as per the manufacturer's recommendations.
- Add the cases that need cleaning, ensuring they do not exceed the recommended load capacity of the tumbler.

### **3. Operating the Tumbler:**

- Close the tumbler securely according to the manufacturer's instructions.
- Set the timer and speed settings as recommended for optimal cleaning results.
- Turn on the tumbler and monitor its operation to ensure it is functioning correctly.

### **4. PostUse:**

- Once the cleaning cycle is complete, turn off the tumbler and allow it to cool before opening.
- Carefully remove the cleaned cases and dispose of the used cleaning media according to the disposal instructions below.

## **Disposal Instructions**

- Dispose of the used cleaning media in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites in your area.
- Ensure that the product does not enter water systems or landfills that are not authorized for hazardous waste.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the product, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. Proper use and handling of the Lyman Case Cleaning Media will ensure a safe and effective cleaning experience.
