MEC DUST COVER Safety Instruction Guide

Introduction

Thank you for choosing the MEC Dust Cover. This durable canvas cover is designed to keep your MEC reloader clean and dustfree. It is compatible with Grabber, Sizemaster, and 9000Series machines equipped with a 12shot bottle. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the machine is turned off and unplugged before installing or removing the dust cover.
- Regularly inspect the dust cover for any signs of wear or damage. Do not use if damaged.
- Keep the dust cover out of reach of children and pets to prevent accidents.
- Ensure that the dust cover is used only for its intended purpose.
- Be aware of potential hazards associated with the operation of the MEC reloader and follow all safety instructions provided by the manufacturer.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the machine is completely cool before placing the dust cover on it.
- Avoid placing the dust cover on any hot surfaces to prevent melting or damage to the fabric.

• Usage Precautions:

- Do not leave the dust cover on the machine while it is in operation.
- Remove the dust cover before performing any maintenance or cleaning on the machine.

• Washing Precautions:

- The dust cover is machine washable. Use a gentle cycle with cold water and mild detergent.
- Do not bleach or dry clean the dust cover.
- Allow the dust cover to air dry completely before reusing.

Instructions for Installation and Usage

1. Installation:

- Ensure the MEC reloader is turned off and unplugged.
- Carefully place the dust cover over the reloader, ensuring it fits snugly over the machine.
- Ensure that the cover does not obstruct any moving parts or vents.

2. Usage:

- Use the dust cover when the machine is not in use to protect it from dust and debris.
- Always remove the dust cover before operating the machine.

3. Maintenance:

- Regularly check the dust cover for signs of dirt or damage.
- Wash the dust cover as needed, following the washing precautions listed above.

Disposal Instructions

- Dispose of the dust cover responsibly. If it is damaged beyond repair, consider recycling the fabric if local facilities allow.
- Do not dispose of the dust cover in regular household waste if it can be recycled.

Contact Information for Further Support

For safety inquiries or if you have questions regarding the MEC Dust Cover, please contact your local MEC distributor or refer to the manufacturer's website for additional support and resources.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your MEC Dust Cover to keep your reloader in optimal condition!
