Safety Instruction Guide for Redding Full Length Die Set 338 RCM

Introduction

Thank you for choosing the Redding Full Length Die Set 338 RCM. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the die set in a wellventilated area to avoid inhaling any dust or particles.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, during use.
- Ensure that your work area is clean and organized to avoid accidents.
- Do not use the die set if you are under the influence of drugs or alcohol.
- Avoid using the die set if you are tired or distracted.
- Always follow safe reloading practices to minimize risks associated with ammunition preparation.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Ensure your reloading press is securely mounted.
- Carefully remove the die set from its packaging.
- Install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific cartridge.

2. Using the Full Length Sizing Die:

- Insert the cartridge case into the shell holder.
- Raise the ram of the press to engage the die.
- Follow the die's instructions for proper sizing techniques.
- Inspect the sized cartridge cases for any defects.

3. Using the Seating Die:

- After sizing, switch to the seating die.
- Insert the bullet into the case mouth.
- Adjust the seating die according to the desired overall cartridge length.
- Raise the ram to seat the bullet firmly into the case.

4. PostUse:

- Clean the die set after each use to remove any residue.
- Store the die set in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or unusable parts of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Redding Full Length Die Set 338 RCM. Thank you for prioritizing safety in your reloading practices.
