

# TAPERED STEEL BASES - SAVAGE LONG ACTION ROUND 20 MOA BASE 6-48 SCREWS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Nightforce one-piece bases are machined to exact Mil-Std. 1913 specification rail dimensions, assuring perfect alignment. This design allows the same scope to be used on several different rifles, always optimizing eye relief. Choose from 20MOA or 40MOA tapers (40MOA for Remington actions only). Designed and machined for right- or left- handed actions, Nightforce bases will never interfere with loading or extraction. A168 - Fits Round Receivers

## Attributes

- Name: [SAVAGE LONG ACTION ROUND 20 MOA BASE 6-48 SCREWS](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 749012029

# Safety Instruction Guide for Tapered Steel Bases Savage Long Action Round 20 MOA Base

## Introduction

Thank you for choosing the Tapered Steel Bases Savage Long Action Round 20 MOA Base. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this manual carefully to ensure safe and effective usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the base for any signs of wear, damage, or corrosion before use.
- Store the product in a dry, cool environment to prevent rust and deterioration.
- Always use appropriate tools and techniques during installation to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Only use the base with compatible rifles as specified by the manufacturer.
- Ensure that all screws are tightened securely before use to avoid accidents during operation.
- Do not exceed the manufacturer's recommended weight limits for scopes mounted on the base.
- Avoid using the base in extreme weather conditions that may compromise its integrity.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the base.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Gather all necessary tools, including a screwdriver compatible with 648 screws.
2. **Alignment:** Position the base on the rifle's receiver, ensuring that it aligns with the mounting holes.
3. **Screw Insertion:** Insert the 648 screws into the mounting holes.
4. **Tightening:** Use the screwdriver to tighten each screw securely, ensuring even pressure across the base.
5. **Final Check:** After installation, doublecheck that all screws are tight and the base is secure.

### Usage Instructions

- Mount your scope onto the base according to the scope's installation instructions.
- Adjust the scope for optimal eye relief and alignment.
- Regularly check the tightness of the screws, especially after heavy use or transportation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains hazardous materials.
- Consider recycling the metal components where possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Tapered Steel Bases Savage Long Action Round 20 MOA Base, please refer to the manufacturer's contact information, available on the product packaging or official website.

By following these guidelines, you can ensure the safe and effective use of your Tapered Steel Bases Savage Long Action Round 20 MOA Base. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
