# Shell Sorter™ Safety Instruction Guide

## Introduction

Thank you for choosing the Shell Sorter™. This innovative product is designed to make sorting brass by caliber easier and more efficient. To ensure your safety and the safe use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always use the Shell Sorter™ according to the instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals to avoid accidents.
- Inspect the Shell Sorter™ for any damage before use. Do not use if damaged.
- Ensure that the Shell Sorter™ is placed securely on a stable, flat surface before use.
- Avoid using the Shell Sorter™ in wet or damp conditions to prevent slipping or electrical hazards.
- In case of an emergency or accident, report it to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Shell Sorter™ for its intended purpose: sorting brass cartridges by caliber.
- Do not overload the trays beyond their intended capacity as specified in the product description.
- Avoid placing your hands or any body parts near the edges of the trays while sorting.
- Use caution when handling brass cartridges, as they may have sharp edges.
- Ensure that the bucket used with the Shell Sorter™ is stable and securely positioned to prevent tipping.
- Regularly check the trays for wear and tear, and replace them if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Find a suitable location for the Shell Sorter™, such as a flat surface where a 5gallon bucket can be placed securely.
- Ensure the bucket is clean and free of debris.

### 2. Assembly:

- Place the Shell Sorter™ on top of the 5gallon bucket.
- Ensure that it fits securely and does not wobble.

### 3. Sorting Brass:

- Pour your brass cartridges into the designated tray according to the calibers:
  - Yellow Tray: .45 ACP, .45 GAP, .44 Mag, .50 AE, .243, .308, 7.62x39mm, and .45 Colt.
  - Blue Tray: .40 S&W, 10mm, .357 Mag, and .38 Special.
  - Black Tray: 9mm, .380 ACP, .38 Super, and .223.
- Gently shake the Shell Sorter™ to allow the brass to settle into the appropriate trays.
- All smaller cartridges, including .22 LR, gravel, and tumbling media, will fall into the bucket.

### 4. PostUse:

- Carefully remove the trays from the Shell Sorter™.
- Clean the trays and the Shell Sorter™ as needed to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the Shell Sorter™ responsibly at the end of its life cycle. Follow local regulations for the disposal of plastic and other materials.
- Do not dispose of the product in regular household waste. Check for recycling programs in your area.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Shell Sorter™, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can enjoy a safer and more efficient experience with your Shell Sorter™. Thank you for your attention to safety.
