# Universal Reloading Tray Safety Instruction Guide

## Introduction

Thank you for choosing the Universal Reloading Tray by Frankford Arsenal. This product is designed to enhance your reloading experience by providing a convenient and versatile solution for holding brass during the reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the Universal Reloading Tray in accordance with the manufacturer's instructions.
- Keep the tray out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the tray for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the reloading of ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the tray is placed on a stable surface during use to prevent spills or accidents.
- Only load cartridges that are compatible with the tray specifications, ranging from .17 caliber to .458 caliber for rifles and 9mm to 500 S&W for handguns.
- Avoid overloading the tray beyond its 50round capacity to maintain stability and safety.
- Use protective eyewear when reloading to safeguard against debris or accidental discharge.
- Do not leave the tray unattended while in use, especially around children or pets.
- Always wear appropriate gloves when handling brass to avoid cuts or contamination.

## Instructions for Installation and Usage

### 1. Setting Up the Tray:

- Place the Universal Reloading Tray on a flat, stable surface.
- Ensure that the tray is clean and free of any debris before use.

### 2. Loading Cartridges:

- Load the cartridges into the designated slots of the tray, ensuring they are seated securely.
- Do not exceed the 50round capacity of the tray.

### 3. Using the Tray:

- Use the tray to hold brass during various stages of the reloading process.
- Keep the tray steady and avoid sudden movements that could dislodge the cartridges.

### 4. PostUse Care:

- After reloading, carefully remove the cartridges and clean the tray as needed.
- Store the tray in a safe location away from children and pets.

## Disposal Instructions

- Dispose of the Universal Reloading Tray in accordance with local regulations.
- If the tray is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the tray in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Universal Reloading Tray, please refer to the manufacturer's website or customer service for assistance.

Thank you for ensuring your safety and the safety of others while using the Universal Reloading Tray. Enjoy your reloading experience!
