

7MM (.284") 162 GRAIN ELD MATCH BULLETS - ELD® MATCH 7MM (0.284") 162GR POLYMER TIP BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

7mm 162 grain ELD Match bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet-to-bullet, lot-to-lot. Best-in-class BCs Delivers the highest degree of accuracy and bullet-to-bullet/lot-to-lot consistency. Accurate, radar verified BCs Hornady engineers discovered that commonly used bullet tip materials in streamlined, high BC bullets melt and deform. Although not a significant issue affecting moderate BC conventional tipped varmint and hunting bullets, aerodynamic heating causes BC reduction and degradation of accuracy, particularly at extended ranges (400 yds +). To counter this effect, Hornady identified a heat resistant polymer and developed the Heat Shield tip. This revolutionary new tip creates the perfect meplat (tip) with exceptionally consistent results from bullet-to-bullet and lot-to-lot.

Attributes

- Name: [ELD® MATCH 7MM \(0.284"\) 162GR POLYMER TIP BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016367
- Mfr. No.: 28403
- Ballistic Coefficient (G1): 0.670
- Ballistic Coefficient (G7): 0.338
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 7mm,284 Caliber
- Diameter (in): 0.284
- Grain: 162
- Sectional Density: 0.287
- Quantity: 100
- Delivery weight: 1.089kg
- Shipping height: 25mm
- Shipping width: 70mm
- Shipping length: 114mm
- UPC: 090255284034

Safety Instruction Guide for 7MM (.284") 162 GRAIN ELD MATCH BULLETS

Introduction

Thank you for choosing the 7MM (.284") 162 Grain ELD Match Bullets. These bullets are designed for enhanced accuracy and consistency in target shooting. It is important to follow safety guidelines to ensure safe handling and use. This guide provides essential safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and moisture.
- Always handle ammunition with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any product recalls or safety notices through the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.
- Use protective gear, such as eye and ear protection, when shooting.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for 7MM (.284") cartridges.
- Verify that your firearm is in safe working condition before use.
- Follow all manufacturer guidelines for your firearm when using these bullets.
- Avoid using damaged or deformed bullets, as they may pose safety risks.
- Ensure that the shooting area is clear of people and obstacles.
- Be aware of your surroundings and follow local laws regarding shooting.

Instructions for Installation and Usage

- Ensure that you have the proper tools and equipment for loading the bullets into cartridges.
- Follow these steps for safe loading:
 1. **Preparation:** Gather all necessary materials, including the bullets, brass cases, powder, and primers.
 2. **Cleanliness:** Ensure your work area is clean and free from debris.
 3. **Loading:**
 - Carefully insert the bullet into the case mouth.
 - Use a reloading press to seat the bullet to the correct depth as specified in your reloading manual.
 4. **Inspection:** After loading, inspect each cartridge for proper seating and any visible defects.
- Store loaded cartridges in a secure container away from heat sources.
- Follow all safety protocols when transporting ammunition to the shooting range.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local authorities or waste management for proper disposal methods.
- Ensure that any spent casings are collected and disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or additional information regarding the 7MM (.284") 162 Grain ELD Match Bullets, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience. Thank you for prioritizing safety while using our products.
