PAN MEDIA SIFTER MEC RELOADING SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Pan Media Sifter from MEC Reloading. This product is designed to simplify the process of separating brass from tumbling media. To ensure safe and effective use, please follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the Pan Media Sifter in accordance with the instructions provided.
- Ensure that you are using the product in a safe environment, free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Pan Media Sifter for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the Pan Media Sifter only over a suitable container to catch the sifted media.
- Do not overload the Pan Media Sifter with excessive media; follow the recommended capacity guidelines.
- Avoid using the Pan Media Sifter with any materials that are not intended for use with this product.
- Handle the Pan Media Sifter with care to prevent injury from sharp edges or other hazards.
- Do not use the Pan Media Sifter if it is damaged or malfunctioning.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean, stable surface to work on.
- Gather all necessary materials, including the Pan Media Sifter and a suitable container.

2. Using the Pan Media Sifter:

- Empty the contents of your tumbler into the Pan Media Sifter.
- Securely hold the Pan Media Sifter over the prepared container.
- Shake the Pan Media Sifter several times to allow the media to fall through.
- The cleaned and polished brass will remain in the sifter while the media falls into the container below.

3. PostUse Care:

- Clean the Pan Media Sifter after each use to maintain its effectiveness.
- Store the Pan Media Sifter in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any waste materials in accordance with local regulations.
- Ensure that the Pan Media Sifter is disposed of responsibly if it is no longer usable.
- Recycle components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the Pan Media Sifter, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective experience with your Pan Media Sifter from MEC Reloading. Thank you for your attention to these important guidelines.
