

# A-TIP MATCH 6.5MM (0.264") ALUMINUM TIPPED RIFLE BULLETS - A-TIP MATCH 6.5MM (0.264") 135GR A-TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Years of research and testing by the Hornady® Ballistic Development Group, combined with advanced manufacturing processes and quality control measures have led to the creation of the ultimate low drag, high performance match bullet. Use of a new A-Tip® seating stem is required for optimal bullet seating. FEATURES TIP DESIGN: Aluminum tip is precision machined and longer than polymer tips which moves the center of gravity and enhances in-flight stability. Aeroballistically advanced tip design results in tighter groups and reduced drag variability. Perfect blend of ogive, tip length, bearing surface and optimized boattail by caliber. PERFORMANCE: Doppler radar verified low drag coefficient (high BC) bullets are forgiving of twist rate, seating depth and muzzle velocity. Refined design of the AMP® bullet jacket offers industry leading uniformity and concentricity. MANUFACTURING: Right off the press - sequentially packaged, one clone after another for the ultimate in consistent performance. Minimal handling throughout the manufacturing process ensures consistency from bullet to bullet. Packaged with a polishing bag to prepare bullets for loading (bullets aren't bulk washed after manufacture).

## Attributes

- Name: [A-TIP MATCH 6.5MM \(0.264"\) 135GR A-TIP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749018801
- Mfr. No.: 26179
- Ballistic Coefficient (G1): 0.637
- Ballistic Coefficient (G7): 0.321
- Brand Style: -
- Bullet Style: A-Tip Match
- Caliber: 264 Caliber,6.5mm
- Diameter (in): 0.264
- Grain: 135
- Sectional Density: 0.277
- Quantity: 100
- Delivery weight: 0.998kg
- Shipping height: 121mm
- Shipping width: 83mm
- Shipping length: 152mm
- UPC: 090255261790

# ATIP MATCH 6.5MM Aluminum Tipped Rifle Bullets Safety Instructions

## Introduction

Thank you for choosing the ATIP MATCH 6.5MM (0.264") Aluminum Tipped Rifle Bullets. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before handling or using the bullets.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using the bullets.
- Store the bullets in a cool, dry place away from direct sunlight and moisture.
- Keep the bullets out of reach of children and unauthorized individuals.
- Always wear appropriate eye and ear protection when using firearms.
- Regularly check for any recalls or safety updates regarding the product.

## Specific Safety Precautions for Use

- **Handling:**
  - Always handle bullets with care to avoid damage.
  - Do not expose bullets to extreme temperatures or humidity.
- **Loading:**
  - Use the recommended ATip seating stem for optimal bullet seating.
  - Ensure that your firearm is compatible with the 6.5MM caliber bullets before use.
- **Shooting:**
  - Always use the bullets in accordance with your firearm's specifications.
  - Ensure a clear and safe shooting environment before firing.
- **Storage:**
  - Store bullets in their original packaging to prevent damage.
  - Keep ammunition separate from other materials to avoid contamination.

## Instructions for Installation and Usage

### 1. Preparation:

- Check that your firearm is unloaded before starting the loading process.
- Gather all necessary tools and equipment, including the ATip seating stem.

### 2. Loading Bullets:

- Place the bullet in the seating stem.
- Adjust the seating depth according to your firearm's specifications.
- Carefully press the bullet into the cartridge case until it is seated properly.

### 3. Safety Checks:

- After loading, visually inspect each cartridge to ensure proper seating.
- Store loaded cartridges in a secure and safe location until ready for use.

### 4. Firing:

- Follow all standard safety practices when firing your firearm.

- Ensure that the shooting range is clear of obstructions and bystanders.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular trash. Instead, contact local authorities for proper disposal methods.
- Ensure that all packaging materials are disposed of responsibly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to your local retailer or the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and enjoyable experience with ATIP MATCH 6.5MM Aluminum Tipped Rifle Bullets. Always prioritize safety and responsible use.
