

A-TIP MATCH 6.5MM (0.264") ALUMINUM TIPPED RIFLE BULLETS - A-TIP MATCH 6.5MM (0.264")153GR A-TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Years of research and testing by the Hornady® Ballistic Development Group, combined with advanced manufacturing processes and quality control measures have led to the creation of the ultimate low drag, high performance match bullet. Use of a new A-Tip® seating stem is required for optimal bullet seating. FEATURES TIP DESIGN: Aluminum tip is precision machined and longer than polymer tips which moves the center of gravity and enhances in-flight stability. Aeroballistically advanced tip design results in tighter groups and reduced drag variability. Perfect blend of ogive, tip length, bearing surface and optimized boattail by caliber. PERFORMANCE: Doppler radar verified low drag coefficient (high BC) bullets are forgiving of twist rate, seating depth and muzzle velocity. Refined design of the AMP® bullet jacket offers industry leading uniformity and concentricity. MANUFACTURING: Right off the press - sequentially packaged, one clone after another for the ultimate in consistent performance. Minimal handling throughout the manufacturing process ensures consistency from bullet to bullet. Packaged with a polishing bag to prepare bullets for loading (bullets aren't bulk washed after manufacture).

Attributes

- Name: [A-TIP MATCH 6.5MM \(0.264"\)153GR A-TIP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749018802
- Mfr. No.: 2638
- Ballistic Coefficient (G1): 0.704
- Ballistic Coefficient (G7): 0.355
- Brand Style: -
- Bullet Style: A-Tip Match
- Caliber: 264 Caliber,6.5mm
- Diameter (in): 0.264
- Grain: 153
- Sectional Density: 0.314
- Quantity: 100
- Delivery weight: 0.227kg
- Shipping height: 89mm
- Shipping width: 121mm
- Shipping length: 152mm
- UPC: 090255226386

ATIP MATCH 6.5MM ALUMINUM TIPPED RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the ATIP MATCH 6.5MM Aluminum Tipped Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the ATIP MATCH bullets. Follow all instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls. Check the EU's Safety Gate platform for updates on product safety.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who may not understand its use.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact associated with this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

Specific Safety Precautions for Use

- **Handling:** Always handle bullets with care. Avoid dropping or mishandling them to prevent damage.
- **Storage:** Store bullets in a cool, dry place away from direct sunlight. Ensure they are kept in their original packaging until ready for use.
- **Use Appropriate Equipment:** Use only compatible firearms and loading equipment designed for 6.5mm bullets.
- **Protective Gear:** Wear appropriate safety gear, including eye protection and hearing protection, when handling or firing ammunition.
- **Avoid Modifications:** Do not modify the bullets or attempt to alter their design in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is clean and properly maintained.
- Verify that the bullets are compatible with your firearm.

2. Loading:

- Use the new ATip seating stem for optimal bullet seating.
- Follow the manufacturer's instructions for loading the bullets into your firearm.

3. Firing:

- Always point the firearm in a safe direction when loading and unloading.
- Be aware of your surroundings and ensure a safe shooting environment.

4. PostUse:

- After use, clean your firearm as per the manufacturer's recommendations to ensure longevity and performance.

Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For additional assistance or safety inquiries, please refer to the EUbased contact associated with this product.

By following these safety instructions, you can ensure a safe and effective experience with the ATIP MATCH 6.5MM Aluminum Tipped Rifle Bullets. Thank you for prioritizing safety.
