# CUSTOM GRADE RIFLE 4DIE SETS 350 LEGEND

## Safety Instruction Guide

### Introduction

Thank you for choosing the Hornady® Custom Grade Rifle 4Die Set for 350 Legend. This product is designed for precision reloading, ensuring accuracy and reliability. To ensure safe and effective use, please read this safety instruction guide thoroughly.

### General Safety Guidelines

- Always handle reloading equipment with care and follow the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Store the die set in a secure location when not in use.
- Be aware of your surroundings and ensure a safe workspace when reloading.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure that you are familiar with the reloading process and have received adequate training before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Check the die set for any visible damage before use; do not use damaged equipment.
- Avoid distractions while reloading to maintain focus and precision.
- Use only the recommended components and materials for reloading to prevent malfunctions.
- Follow the recommended load data and do not exceed maximum load limits.

### Instructions for Installation and Usage

#### 1. Installation of the Die Set:

- Clean the reloading press and ensure it is free from debris.
- Install the die set according to the manufacturer's instructions, ensuring proper alignment.
- Tighten the locking rings securely to prevent movement during operation.

#### 2. Reloading Procedure:

- Prepare the brass cases by cleaning and inspecting them for any defects.
- Follow the specific steps for resizing, expanding, and seating bullets as outlined in the reloading manual.
- Adjust the die settings carefully to achieve the desired dimensions and bullet seating depth.
- Perform a visual inspection of each completed cartridge to ensure quality.

#### 3. PostUse Care:

- After use, clean the die set to remove any residue or debris.
- Store the die set in its original packaging or a designated storage case.
- Regularly check the die set for wear and tear, and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of reloading materials in regular household trash.
- Follow guidelines for hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the CUSTOM GRADE RIFLE 4DIE SETS 350 LEGEND, please refer to the manufacturer's contact information provided with your product or visit the official website for additional resources.

Thank you for prioritizing safety and ensuring a responsible reloading experience.
