MINI14® Gas Block Screw Safety Instruction Guide

Introduction

Thank you for purchasing the MINI14® Gas Block Screw. This guide provides important safety instructions and information to ensure the safe use and installation of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Mini14® or Mini Thirty®).
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear (e.g., eye protection) when handling firearms and their components.
- Ensure the firearm is unloaded before installing or replacing the gas block screw.
- Avoid using excessive force during installation to prevent damage to the screw or the firearm.
- Keep the work area clean and free from distractions while performing installation tasks.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation (e.g., screwdriver, wrench).
- Ensure you have a clean and well-lit workspace.

2. Installation Steps:

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the existing gas block screw if applicable.
- Align the new MINI14® Gas Block Screw with the gas block hole.
- Securely tighten the screw using the appropriate tool, being careful not to overtighten.
- Check for proper alignment and ensure that the screw is firmly in place.

3. PostInstallation Check:

- Inspect the installation to ensure there are no loose components.
- Perform a function check on the firearm to ensure it operates correctly.

Disposal Instructions

- Dispose of any damaged or unused screws in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.

Contact Information for Further Support

For safety inquiries or support regarding the MINI14® Gas Block Screw, please refer to the manufacturer's website or customer service for assistance.
