RUGER® MINI14® STOCK REINFORCEMENT WASHER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the RUGER® MINI14® STOCK REINFORCEMENT WASHER. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your RUGER® MINI14® or MINI30® firearm.
- Always follow the manufacturer's instructions for your firearm.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it appears damaged or worn.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the RUGER® MINI14® STOCK REINFORCEMENT WASHER only for its intended purpose.
- Ensure that the firearm is unloaded and safe before installation.
- Wear appropriate safety gear, such as safety glasses, when handling firearms.
- Do not attempt to modify the product or use it in any way not specified by the manufacturer.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Instructions for Installation and Usage

1. Preparation

- Ensure that your RUGER® MINI14® or MINI30® is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver.

2. Installation Steps

- Locate the stock assembly on your firearm.
- Remove the existing stock reinforcement washer if applicable.
- Align the RUGER® MINI14® STOCK REINFORCEMENT WASHER with the mounting holes.
- Secure the washer in place using the appropriate screws. Ensure that the screws are tightened but do not overtighten, as this may damage the washer or firearm.
- Doublecheck that the washer is securely installed and does not move.

3. PostInstallation Check

- After installation, perform a visual inspection to ensure that everything is properly aligned.
- Test the functionality of the firearm to ensure that it operates correctly with the new washer installed.

Disposal Instructions

- Dispose of any old or damaged washers in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® MINI14® STOCK REINFORCEMENT WASHER, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on proper use and maintenance of your firearm and its accessories.
