Safety Instruction Guide for GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT

Introduction

Thank you for choosing the GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT. This product is designed to enhance the functionality of your Ruger firearms, specifically compatible with various models such as the Bisley™, New Model Bearcat®, New Model Blackhawk®, New Model SingleSix®, Old Army, and others. This guide provides essential safety instructions, installation guidelines, and disposal instructions to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always handle firearms with care and respect.
- Ensure that you are familiar with the operation and safety features of your specific firearm model.
- Keep the product and all related components out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and modifications.
- If you experience any issues or concerns with the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

When using the GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT, please observe the following precautions:

- Ensure that the firearm is unloaded before installation or handling.
- Do not use the product if it appears damaged or defective.
- Always wear appropriate safety equipment, such as eye protection, when using firearms.
- If you are not experienced in firearm maintenance or modifications, seek assistance from a qualified gunsmith.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

To ensure proper installation and safe usage of the GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT, follow these steps:

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather necessary tools for installation, such as screwdrivers and wrenches.

2. Installation:

- Remove the existing grip panel from your firearm, following the manufacturer's instructions.
- Align the GRIP PANEL FERRULE with the corresponding holes on the firearm.
- Secure the ferrule using the appropriate screws or fasteners, ensuring a tight fit.
- Doublecheck that the installation is secure and that there are no loose components.

3. Usage:

- After installation, perform a safety check to ensure the firearm functions correctly.

- Practice handling the firearm with the new grip panel to become accustomed to its feel and balance.
- Always adhere to safe firearm handling practices during use.

Disposal Instructions

When the GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT reaches the end of its life cycle, please dispose of it responsibly:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for firearm components.
- If possible, recycle the product according to local recycling guidelines.

Contact Information for Further Support

For any inquiries or support related to the GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT, please refer to the manufacturer's contact resources. Ensure you keep this guide for future reference and consult it regularly to maintain safe practices.

By following these guidelines, you can ensure a safe and enjoyable experience with your GRIP PANEL FERRULE, LEFT GRIP PANEL FERRULE, LEFT. Thank you for your attention to safety and responsible firearm use.
