# Safety Instruction Guide for 1" Scope Ring

## Introduction

Thank you for choosing the 1" Scope Ring. This product is designed to provide a secure and reliable attachment for scopes on Ruger firearms. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the scope ring is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Inspect the scope ring for any damage before use. Do not use if damaged.
- Store the scope ring in a dry, cool place away from direct sunlight.
- Keep the scope ring out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended scope tube diameter of 1 inch when using this product.
- Ensure that the scope ring is securely tightened to prevent any movement during use.
- Avoid using the scope ring in extreme weather conditions or environments that may cause corrosion or damage.
- If using an offset ring, follow the instructions carefully to avoid improper installation.
- Always use two rings for mounting to ensure stability and safety.
- Be cautious when adjusting the scope position to avoid injury or damage to the firearm.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver and any additional tools specified by the manufacturer.

#### 2. Mounting the Scope Ring:

- Identify the appropriate mounting locations on the firearm based on the model.
- Place the scope ring on the firearm's base, aligning it with the mounting holes.
- Insert screws through the ring and into the base, ensuring they are not crosstheaded.

#### 3. Tightening:

- Using a screwdriver, tighten the screws evenly to secure the ring in place.
- Do not overtighten, as this may damage the ring or the firearm.

#### 4. Attaching the Scope:

- Position the scope within the rings.
- Adjust the scope to the desired eye relief and ensure it is level.
- Tighten the ring screws to secure the scope in place.

#### 5. Final Inspection:

- Check that all screws are tightened and that the scope is securely mounted.
- Perform a visual inspection of the installation to ensure everything is in place.

## Usage Tips

- Regularly check the tightness of the scope ring screws, especially after heavy use.
- Familiarize yourself with the adjustments and features of your scope to maximize its effectiveness.
- Practice safe handling and usage of your firearm at all times.

## Disposal Instructions

- Dispose of the scope ring and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options where available.

## Contact Information for Further Support

For further assistance or inquiries regarding safety, installation, or usage of the 1" Scope Ring, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can ensure safe and effective use of the 1" Scope Ring on your Ruger firearms. Thank you for your attention to safety and responsible firearm handling.
